Check Your Checks!

Due to a payroll error some employees did not receive holiday pay for Christmas Eve and Christmas Day.

Check your checks to make sure you were not shorted your holiday pay. If you did not receive part or all of this pay, please call the hall and leave your name, phone number, department you work in, and days you did not receive Holiday Pay with Terry. A copy of your paystub for the week ending 12/31/2017 would be helpful in resolving any mistakes. We are currently trying to find out why this happened and get a fast resolution to those affected.

 Detroit Free Press Published Nov. 30, 2017

UAW leaders who arrived in Detroit this week from across the country elected a slate on Thursday that positions respected accountant Gary Jones of

O'Fallon, Mo., to succeed Dennis Williams as the union's president when Williams retires next June.

Members of the largest and most powerful UAW caucus have described Jones as a steady hand who can effectively navigate the organization through times of change and uncertainty.

Motion towards Medicare for All at AFL-CIO Convention

Delegates to the AFL-CIO convention in October passed a resolution that puts the AFL-CIO on the record supporting Medicare for All.

While they didn't get everything they wanted, single-payer health care advocates are celebrating progress getting the AFL-CIO to embrace Medicare for All.

In October, delegates to the federation's convention in St. Louis passed "Resolution 6: Making Health Care for All a Reality." The text puts the AFL-CIO on the record supporting Medicare for All and commits the federation to work with sponsors of single-payer legislation, though it doesn't name Senator Bernie Sanders' bill. It will now be much harder for national unions, state feds, and politicians to deny that this is the official policy of the AFL-CIO.
