AGREEMENT

This Agreement dated August 1, 1980, is between Latrobe Steel Company, Latrobe, Pa., or its successors (hereinafter referred to as the Company) and the United Steelworkers of America, or its successors (hereinafter referred to as the Union). Except as otherwise expressly provided herein, the provisions of this Agreement shall be effective 12:01 a.m., August 1, 1980.

The Union having been designated the exclusive collective bargaining representative of the employees of the Company, the Company recognizes the Union as exclusive representative. Accordingly, the Union makes this Agreement in its capacity as the exclusive collective bargaining representative of such employees. The provisions of this Agreement constitute the sole procedure for the processing and settlement of any claim by an employee or the Union of a violation by the Company of this Agreement. As the representative of the employees, the Union may process grievances through the grievance procedure, including arbitration, in accordance with this Agreement or adjust or settle the same.

It is the intent and purpose of the parties hereto to set forth herein the Basic Agreement covering rates of pay, hours of work and the conditions of employment to be observed between the parties hereto; and, to provide the sole procedure for prompt equitable adjustment of alleged grievances.

It is the continuing policy of the Company and the Union that the provisions of this Agreement shall be applied to all employees without regard to race, color, religion, sex or national origin. Wherever in this Agreement the male gender is used, it shall also be interpreted to mean the female gender.

SECTION 1 — RECOGNITION

A. 1. The Company recognizes the Union as the exclusive collective bargaining agency for all hourly production and hourly maintenance employees of the Company employed in and about the Company's plant in Latrobe, Pennsylvania area.

2. The Company recognizes and will not interfere with the right of its employees to become members of the Union. The Union agrees that neither it nor any of its officers or members will engage in any Union activity while such employees are on Company time; and, the Company may discipline any employee who shall be proved guilty of violating this provision. Any dispute as to the facts or as to the nature of the discipline imposed by the Company shall be adjusted in accordance with the provisions of Section IX—Adjustment of Grievances, including arbitration if necessary.

3. When the Company establishes a new or changed job in a plant so that duties involving a significant amount of production or maintenance work, or both, which is performed on a job within the bargaining unit (or, in the case of new work, would be performed on such a job) are combined with duties not normally performed on a job within the bargaining unit, the resulting job in the plant shall be considered as within the bargaining unit. This provision shall not be construed as enlarging or diminishing whatever rights exist in respect of withdrawal of non-bargaining unit duties from a job in the bargaining unit, provided that where non-bargaining unit duties are placed in a job in the bargaining unit under this provision, such duties may be withdrawn at any time. The Company shall, on request, furnish to the Union reasonable information to permit determination or questions of compliance with this provision.

B. Union Security

1. Each employee hired on or after the date of this Agreement, shall, as a condition of employment, beginning on the 30th day following the beginning of such employment or the effective date of this Agreement, whichever is the later, acquire and maintain membership in the Union.

2. For the purpose of this Section, an employee shall not be deemed to have lost his membership in the Union in good standing until the International Secretary-Treasurer of the Union shall have determined that the membership of such employee in the Union is not in good standing and shall have given the Company a notice in writing of the fact.

C. Checkoff

1. The Company will check off monthly dues, assessments and initiation fees such as designated by the International Secretary-Treasurer of the Union, as membership dues in the Union, on the basis of individually signed voluntary checkoff authorization cards in forms agreed to by the Company and the Union.

2. At the time of employment the Company will suggest that each new employee voluntarily execute an authorization for the checkoff of Union dues in the form agreed upon. A copy of such authorization card for the checkoff of Union dues shall be forward to the Financial Secretary of the local Union along with the membership application of such employee.

3. Upon receipt by the Company of a voluntary written assignment (in a form agreed to in writing by the Company and the Union) by an employee, the Company will deduct from the second pay of such employee each month or vacation pay and thereafter during the existence of such assignment, his periodic Union dues for the preceding month; and, the Company shall also deduct any assessments against the employee which shall be general and uniform among employees who shall at the time be members of the Union, and, if owing by the employee, an initiation fee, all as payable to the Union in accordance with its constitution and by-laws. The Company shall promptly remit any and all amounts so deducted to the International Secretary-Treasurer of the Union, who shall notify the Company in writing of the respective amounts of the dues, initiation fees and assessments which shall be so deducted.

4. The pay and vacation pay referred to for deductions of dues, initiation fees or assessments shall be the second pay closed and calculated in a month.

5. In cases of earnings insufficient to cover deduction of dues, the dues shall be deducted from the next pay in which there are sufficient earnings, or a double deduction may be made from the second pay of the following month, provided, however, that the accumulation of dues shall be limited to two months. The International Secretary-Treasurer of the Union

time to avoid the obligations of this paragraph may be a relevant factor for consideration.

24 3. New construction, including major installation, major replacement and major reconstruction of equipment and productive facilities at the plant may be contracted out, subject to any rights and obligations of the parties which, as of the beginning of the period specified above, are applicable at the plant.

25 4. a. A regularly constituted committee consisting of not more than four persons, half of whom shall be members of the bargaining unit and designated by the District Director of District 19 of the Union in writing to the Company and the other half designated in writing to the Union by the Company, shall attempt to resolve problems in connection with the operation, application and administration of the foregoing provisions.

26 b. In addition to the requirements of paragraph 5 below, such committee may discuss any other current problems with respect to contracting out brought to the attention of the committee.

27 5. Before the Company finally decides to contract out a significant item of work which comes within the scope of this Section G and which is work to be performed within the plant, the Union committee members will be notified. Such notice will be given in advance of the final decision to contract out the work except where emergency requirements prevent such timely notice. Such notice shall be in writing and shall be sufficient to advise the Union members of the committee of the location, type, scope, duration and timetable of the work to be performed so that the Union members of the committee can adequately form an opinion as to the reasons for such contracting out. Should the Union committee believe discussion to be necessary, they shall so request the Company in writing within five days (excluding Saturdays, Sundays, and holidays) after receipt of such notice and such a meeting shall be held within three days (excluding Saturdays, Sundays, and holidays) thereafter. The Union members of the committee may include in the meeting the Union representative from the area in

which the problem arises. At such meeting, the parties should review in detail the plans for the work to be performed and the reasons for contracting out such work. The Company members of the committee shall give full consideration to any comments or suggestions by the Union members of the committee and to any alternate plans proposed by Union members for the performance of the work by bargaining unit personnel. Except in emergency situations such discussions, if requested, shall take place before any final decision is made as to whether or not such work will be contracted out. Should the committee resolve the matter, such resolution shall be final and binding. Should a discussion be held and the matter not be resolved or in the event a discussion is not held, then within thirty days from the date of the Company's notice a complaint relating to such matter may be filed under the complaint and grievance procedure. Should the Company fail to give notice as provided above, then not later than thirty days from the date of the commencement of the work a complaint relating to such matter may be filed under the complaint and grievance procedure.

28 6. It is the intent of the parties that the members of the joint plant contracting out committee shall engage in discussions of the problem involved in this field in a good-faith effort to arrive at mutual understanding so that disputes and complaints can be avoided. If either the Company or Union members of the committee feel that this is not being done, they may appeal to the District Director of the Union who has jurisdiction of the plant and the appropriate representative of the Company for review of the complaint about the failure of the committee to properly function. Such appeal shall result in a prompt investigation by the District Director or his designated representative and the Company representative designated for such review. This provision should in no way affect the rights of the parties in connection with the processing of any complaint relating to the subject of contracting out.

SECTION II — MANAGEMENT

29 The management of the works and the direction of the working forces, including any of the rights, powers, functions or authority which the Company had prior to the signing of this Agreement, or any

agreement with the Union, as well as but not limited to, the right to hire, suspend or discharge for proper cause and the right to relieve employees from duty because of lack of work or for other legitimate reasons are retained by the Company, except as those rights, powers, functions or authority are specifically abridged or modified by this Agreement or any amendment to this Agreement arrived at through the process of collective bargaining.

SECTION III — STRIKE AND LOCKOUTS

The Union agrees there shall be no interruption or impeding of the work such as but not limited to slow down, concerted absenteeism, work stoppage, strike or other interferences with production during the life of this Agreement. The Company agrees there shall be no lockout of employees during the life of this Agreement.

SECTION IV - WAGES

A. Standard Hourly Wage Scale

The standard hourly wage scales of rates for the respective job classes shall be those set forth in Appendix A and A-1 of this Agreement. Jobs shall be placed in the standard hourly wage scales in accordance with the January 1, 1963, Job Description and Classification Manual as amended August 1, 1968, and August 1, 1971, (hereafter referred to as the Manual) which is hereby made a part of this Agreement, except that the manual's master job classifications will be used in conjunction with Latrobe Steel jobs currently in effect to clarify new, changed or combined jobs.

B. Application of the Standard Hourly Wage Scale

The standard hourly wage scale rate for each job shall be set forth in Appendix A for non-incentive jobs and in Appendix A-1 for incentive jobs. In addition:

1. A schedule of trade or craft rates, containing:
 - a. A standard rate equal to the standard hourly wage scale rate for the respective job class of the job;
 - b. An intermediate rate at a level two job classes below the standard rate; and

c. A starting rate at a level four job classes below the standard rate, is established for each of the following repair and maintenance trade or craft jobs:

Bricklayer	Pipefitter
Carpenter	Roll Turner
Electrician	Sheet Metal Worker
Instrument Repairer	Welder
Machinist	Mobile Equipment
Mechanical Repairer	Repairer

2. A schedule of learner rates for the respective learning periods of 520 hours of actual learning experience with the Company on jobs for which training opportunity is not provided by the promotional sequence of related jobs is established at the level of standard hourly wage scale rates for the respective jobs classes determined on the basis of the required employment training and experience time specified in factor 2 of the job classification record of the respective job for which the learner period is preparatory as follows:

- a. Seven to twelve months: One learner period classification at a level two job classes below the job class of the job.
 - b. Thirteen to eighteen months: A first learner period classification at a level four job classes below the job class of the job, and a second learner period classification at a level two job classes below the job class of the job.

Nineteen months: A first learner period classification at a level six job classes below the job class of the job; a second learner period classification at a level four job classes below the job class of the job; and a third learner period classification at a level two job classes below the job class of the job.
 - d. At any time during the learner periods an employee progresses to where he is performing the full scope of the job, he may then be moved to the full rate of the job without necessarily going through the time periods.
3. The Company, at its discretion, may apply a learner rate to a learner on any job during any per-

iod of time where another employee, other than the learner is on the job, provided the learner rate applied is:

a. The standard hourly wage scale rate for job class 1 in the case of an employee hired for the learner job; or 43

b. The lower figure of: 44

(1) The standard hourly wage scale rate of the job from which transferred; or 45

(2) The standard hourly wage scale rate of the job being learned in the case of an employee transferred from another job in the plant. 46

C. Description and Classification of New or Changed Jobs

In the interest of the effective administration of the Job Description and Classification procedures as set forth in the Manual, a Plant Union Committee on Job Classification (hereinafter called the Plant Union Committee) consisting of up to three employees designated by the District Director of the Union shall be established in the plant. 47

The August 1, 1971, Job Description and Classification manual along with Latrobe Steel jobs currently in effect will be used in conjunction with the Manual's Master Job Classifications to classify new or changed jobs, in accordance with the following procedure. 48

This procedure is not to be construed or interpreted in any way as a license for any review of job descriptions and classifications currently in effect except as provided below: 49

1. All new jobs, including trade or craft jobs, established on or after August 1, 1971, shall be classified by the provisions set forth in the Manual. 50

2. All jobs that are changed in job content (requirements of the job as to training, skill, responsibility, effort or working conditions) on or after August 1, 1971, shall be reclassified only in those factors affected by the change, using only Section V of the Manual - "The Basic Factors and Instructions for Their Application" and Section VI of the Manual - "Conventions for Classification of Designated Jobs" where applicable. When and if the net total of 51

the changes in the factors affected equals less than one full job class, a supplementary record shall be established to maintain the job description and classification on a current basis and to enable a subsequent adjustment of the job description and classification for an accumulation of small job content changes. When and if the net total of the changes in the factors affected, or the accumulation of such changes, equals a net total of one full job class or more, a new job description and classification for the job shall be established in accordance with item 1 above.

3. The job description and classification for each job in effect as of the date of this Agreement shall continue in effect unless (a) the Company changes the job content (requirements of the job as to the training, skill, responsibility, effort and working conditions) to the extent of one full job class or more; (b) the job is terminated or not occupied during a period of one year; or (c) the description and classification are changed in accordance with mutual agreement of officially designated representatives of the Company and the Union. 52

4. When and if from time to time the Company at its discretion, establishes a new job or changes the job content (requirements of the job as to training, skill, responsibility, effort and working conditions) of an existing job to the extent of one full job class or more, a new job description and classification for the new or changed job shall be established in accordance with the following procedure. 53

a. The Company will develop a description and classification of the job in accordance with the provisions of the Manual. 54

b. The proposed description and classification will be submitted to the Plant Union Committee for approval, and the hourly wage scale rate for the job class to which the job is thus assigned shall apply in accordance with the provisions of Subsection B of this Section. Copies of the proposed description and classification shall be sent to a designated representative of the International Union. 55

c. If the Company and Plant Union Committee are unable to agree upon the description and classification within fifteen (15) calendar days 56

after proposed description is submitted to the Plant Union Committee, the Company shall, install the proposed classification and the standard hourly wage scale rate for the job class to which the job is thus assigned shall apply in accordance with provisions of Subsection B of this Section. The Plant Union Committee shall be exclusively responsible for the filing of grievances and may at any time within thirty (30) calendar days from the date of installation, file a grievance with the Plant Management Representative designated by the Company alleging that the job is improperly described, and/or classified under the provisions of the Manual. Such grievance is to be processed in accordance with the provisions of Section IX - Adjustment of Grievances, commencing with Step 3. Prior to the Step 3 meeting, the Plant Union Committee and the Company representative shall prepare and mutually sign a stipulation setting forth the factors and factor codings which are in dispute, a copy of which shall be sent to a designated representative of the Company and the designated representative of the International Union. If the grievance is submitted to arbitration, the issue shall be limited to the factors stipulated as being in dispute and the decision shall be effective as of the date when the new job was established or the change or changes installed. In the event the parties fail to agree as provided, and no appeal to arbitration is made within the time provided, the classification as prepared by the Company shall be deemed to be approved.

d. In the event the Company does not develop a new job description and classification, the Plant Union Committee may file a grievance in Step 2 under the grievance and arbitration procedures of this Agreement requesting that a job description and classification be developed and installed in accordance with the provisions of the Manual. The resulting classification shall be effective as of the date when the new job was established or the change or changes installed.

D. Incentive Plans

1. Effective as of the date specified in Appendix

57

58

A-1, each employee on a job covered by an existing incentive plan shall receive for each hour worked in addition to incentive earnings, the applicable hourly additive specified in Appendix A-1.

2. It is understood that the fundamental principle of the work and wage relationship is that the employee is entitled to fair day's pay, i.e., the Standard Hourly Wage Scale, in return for which the Company is entitled to a fair day's work. The fundamental principle of the performance and incentive wage relationship is that when regularly required on a direct incentive job as defined below to perform work over and above the requirements of a fair day's work, an employee is entitled to receive equitable extra compensation over and above a fair day's pay. A new direct incentive, a replacement direct incentive, or an adjusted direct incentive shall be designed to provide an incentive earnings opportunity of 35% when the employee is working at a 35% incentive effort.

a. Direct Incentive Jobs - Jobs which directly affect or control the rate of output or efficiency of equipment, shall be considered direct incentive jobs.

3. It is further understood that certain other jobs or service operations may not provide nor require full incentive effort and thus an incentive earnings opportunity of less than 35% shall be equitable compensation for work performed.

These jobs or service operations shall be called "Indirect Incentive Jobs" and "Secondary Indirect Incentive Jobs" and defined as follows:

a. Indirect Incentive Jobs - Jobs which indirectly contribute to the control of output or efficiency of equipment, shall be considered indirect incentive jobs. Indirect Incentives shall be designed to provide an incentive earnings opportunity equivalent to 67% of the earning opportunities provided by the Direct Incentive Job or Jobs to which it is related. If the Indirect Incentive Jobs are not related to Direct Incentive Jobs, the incentive shall be designed to provide earning opportunities 23% above the Incentive Calculation Rate.

59

60

61

62

63

b. Secondary Indirect Incentive Jobs - Jobs which are covered by incentive and do not qualify for direct or indirect incentives as defined above shall be considered secondary indirect incentive jobs. Secondary Indirect Incentives shall be designed to provide an incentive earnings opportunity equivalent to 33% of the earning opportunities of the Direct Incentive Job or Jobs to which it contributes or 50% of the earning opportunities of the Indirect Incentive Job or Jobs to which it contributes. If the Secondary Indirect Incentive Jobs do not contribute to the performance of any Direct or Indirect Incentive Jobs, the incentive shall provide earnings opportunities of 12% above the Incentive Calculation Rate.

The above percentage figures are not statements of the actual percentage earnings an incentive must produce consistently to be equitable. They relate not to average earnings but to earnings opportunity.

4. The Appendix A-1 Standard Hourly Wage Rate plus the applicable hourly additive will be established minimum guaranteed hourly rates for all jobs on incentives. For hours worked on incentive jobs the employees shall receive the highest of the following:

a. The total earnings of the applicable incentive plan plus the applicable hourly additive as specified in Appendix A-1.

b. The total amount arrived at by multiplying the hours worked by the applicable Standard Hourly Wage Rate as specified in Appendix A-1 plus the applicable hourly additive.

c. The total amount arrived at by multiplying the hours worked by the existing guaranteed hourly rate.

E. New and Adjusted Incentives

1. The Company, at its discretion, may establish new incentives to cover:

a. new jobs on which the Company is not required to establish incentives;

b. jobs not presently covered by incentive application; or

c. jobs covered by an existing incentive plan where, during a current three-month period, the straight time average hourly earnings of employees under the plan are equal to or less than average of the standard hourly wage rate for such employees.

2. The Appendix A-1 standard hourly wage rate shall be the established hourly base rate of pay under any new incentive that may be applied to the job during the term of this Agreement.

3. The following shall apply to the minor adjustments, major adjustments where the incentive is suspended and cancellation and replacement of incentives:

a. It is recognized that adjustment of an incentive may be required to preserve its integrity to reflect new or changed conditions occurring after the effective date of this Agreement which are not sufficiently extensive to require cancellation and replacement of the incentive and which result from mechanical improvements made by the Company in the interest of improved methods or products, or from changes in equipment, manufacturing processes or methods, materials processed or quality or manufacturing standards. Such adjustments shall apply only to elements affected and will be installed upon completion of investigation. The amount of change shall be measured in accordance with the original development of the incentive and only those elements affected will be changed.

b. When such new or changed conditions as defined in paragraph 3. a., above, are of such magnitude that the Company determines the plan must be suspended for a period of time to accomplish the adjustments, an interim allowance as defined in 6, below, shall be installed.

c. The change of the adjusted standards established pursuant to 3. a.-b., above, may be challenged by the affected employee(s) through the grievance procedure in accordance with E. 5.d., below.

d. When such new or changed conditions as defined in paragraph 3., above, are of such mag-

- nitude that the Company determines that replacement of the incentive is required, the Company shall cancel the existing incentive and replace it with a new incentive in accordance with the procedures set forth in Section IV - D.2. and 3. and Section IV - E.5.
4. New incentives established pursuant to Section IV - E. 1 and 2., above, shall be established in accordance with the following procedure:
- a. The Company will develop the proposed incentive.
 - b. The proposal will be submitted to the grievance committeeman or steward representing the employees affected for the purpose of explaining the incentive and arriving at agreement as to its installation. The Company shall, at such time, furnish such explanation with regard to the development and determination of the incentive as shall reasonably be required in order to enable the Union representative to understand how such incentive was developed and determined and shall afford to such Union representative a reasonable opportunity to be heard with regard to the proposed incentive.
 - c. Should agreement not be reached as to its installation, the proposed incentive may be installed by the Company and the employee or employees affected may at any time after thirty (30) calendar days, but within sixty (60) calendar days following installation, file a grievance alleging that the incentive does not provide equitable incentive compensation. Such grievance shall be processed under the grievance and arbitration procedure of this Agreement. If the grievance is submitted to the arbitration procedure, the Arbitrator shall decide the question of equitable incentive compensation and the decision of the Arbitrator shall be effective as of the date when the incentive was put into effect.
 - d. In the event the Company does not adjust the incentive or develop an incentive as provided above, the employee or employees affected may within thirty (30) calendar days from occurrence process a grievance under the grievance and arbitration procedures of this Agreement requesting that an incentive be installed in accordance with the provisions of this Subsection. If the grievance is submitted to arbitration, the decision of the Arbitrator shall be effective as of the date when the grievance was filed.
5. Replacement incentives to replace existing incentives pursuant to Section IV-E. 3., d. above, shall be established in accordance with the following procedure:
- a. The Company will develop and install the replacement incentive as soon as practicable.
 - b. The replacement incentive will be submitted to the grievance committee for the purpose of notification, and the Company shall furnish such explanation of the replacement as shall reasonably be required to enable the Union representative to understand how the new incentive was developed.
 - c. When an incentive is replaced pursuant to this Section, and the Company determines the incentive that is being replaced must be cancelled before the replacement incentive is ready for installation, an interim allowance as defined in 6., below, shall be installed.
 - d. The employees affected may at any time after thirty (30) calendar days, but within sixty (60) calendar days following installation, file a grievance which shall be processed under the grievance and arbitration procedures of this Agreement. If the grievance is submitted to the arbitration procedure, the Arbitrator shall decide the issue of compliance with the requirements of Section IV-E. 3. a., b. or d., above, and the decision of the Arbitrator shall be effective as of the date when the adjusted incentive or the replacement incentive was put into effect.
 - e. In the event the Company does not adjust or replace an incentive as provided in Section IV - E. 3. a., b., or d., above, the employee or employees affected may, within thirty (30) calendar days from the date the change is alleged to have occurred, process a grievance under the grievance and arbitration procedures of this Agreement requesting that an adjustment to the incentive be installed in accordance with the pro-

visions of this Subsection. If the grievance is submitted to arbitration, the decision of the Arbitrator shall be effective as of the date when the grievance was filed.

6. When an incentive is adjusted or replaced pursuant to this section, it is recognized a period of time may be required to develop the operating integrity of the new equipment, manufacturing processes or methods, materials processed and quality or manufacturing standards before the adjusted or replacement incentive can be developed and installed. During the interim period between suspension or cancellation, development and installation of the adjusted incentive or the replacement incentive, the incentive earnings (which does not include the applicable hourly additive) expressed as a percentage above the Appendix A-1 standard hourly wage rate on the adjusted incentive for the job covered thereunder, shall not be less than the percentage of incentive earnings (which does not include the applicable hourly additive) received as an average by regularly assigned incumbents of that job under that incentive during the three months preceding suspension or cancellation provided that the average pay period performance, as measured by the existing standards or production rates, during such three month period is maintained. When the adjusted incentive or the replacement incentive is installed, the interim incentive earnings shall cease and incentive earnings shall be calculated under the adjusted or replacement incentive. As to any job which did not exist under the incentive prior to its adjustment or replacement the average percentage calculated for jobs which did exist shall apply under the same conditions.

F. Adjustment of Personal Out-of-Line Differentials

1. The reduction of an out-of-line rate where a job has been reclassified downwards, shall not be effective to reduce earnings of an employee regularly assigned to the given job as of the date of reclassification. However, the normal turnover of employees shall be utilized in the elimination of any such out-of-line wage rates.

2. As of the effective date of any increase made in job class increments in the standard hourly wage scale under this Agreement the personal out-of-line differentials of all incumbents of incentive and non-incentive jobs shall be adjusted or eliminated by applying that part of the increase in the standard hourly wage scale rate for the job which is attributable to the increase in the increments between job classes to reduce or eliminate such personal out-of-line differentials.

G. Wage Rate Inequity Grievances

No basis shall exist for an employee to allege a wage inequity and no grievance alleging a wage rate inequity shall be filed during the term of this Agreement.

H. Miscellaneous

1. The Company will not establish performance standards for non-incentive jobs not in accordance with the fundamental principle of the work and wage relationship set forth in Subsection D-2 hereof. In any dispute, the Company shall have the obligation to prove that any standard set is in accordance with this principle or to cover the job with an incentive.

2. In the event an employee is assigned temporarily, at the request or direction of the Company, from his regular job to another job, such employee, in accordance with the provisions of this Section, shall receive the established rate of pay for the job performed. In addition, while performing work under such circumstances, such employee shall receive such special allowances as may be required to equal the earnings that otherwise would have been realized by the employee. This provision shall not affect the rights of any employee of the Company under any other provisions of this Agreement.

I. Shift Differentials

1. For hours worked on the afternoon shift there shall be paid a premium rate of 30% per hour.

For hours worked on the night shift there shall be paid a premium rate of 45° per hour.

2. Shifts shall be identified in accordance with the following: 98

a. Day Shift includes all turns regularly scheduled to commence between 6:00 a.m. and 8:00 a.m. inclusive. 99

b. Afternoon Shift includes all turns regularly scheduled to commence between 2:00 p.m. and 4:00 p.m. inclusive. 100

c. Night Shift includes all turns regularly scheduled to commence between 10:00 p.m. and 12:00 midnight inclusive. 101

3. Shift differential shall be included in the calculation of overtime compensation. Shift differential shall not be added to the base hourly rate for the purpose of calculating incentive earnings but shall be computed by multiplying the hours worked by the applicable differential and the amount so determined added to earnings. 102

4. Any hours worked by an employee on a regularly scheduled shift which commences at a time not specified in paragraph 2, above, shall be paid as follows: 103

a. For hours worked which would fall in the prevailing day turn of the department, no shift differential shall be paid. 104

b. For hours worked which would fall in the prevailing afternoon turn of the department, the afternoon shift differential shall be paid. 105

c. For hours worked which would fall in the prevailing night shift of the department, the night shift differential shall be paid. 106

5. Shift differential shall be paid for allowed time or reporting time when the hours for which payment is made would have called for a shift differential if worked. 107

J. Sunday Premium

1. All hours worked by an employee on Sun- 108

day, which are not paid for on an overtime basis, shall be paid for on the basis of employee's rate of pay as defined in paragraph 4, below, at one and one-half times the employee's regular rate of pay.

2. For the purpose of this provision, Sunday shall be deemed the 24 hours beginning with the turn-changing hour nearest to 12:01 a.m., Sunday. 109

3. Sunday premium based on the minimum hourly wage rate shall be paid for reporting allowance hours. 110

4. The regular rate of pay, as the term is used in paragraph 1, above, shall mean the hourly rate which the employee would have received for the work had it been performed during nonovertime hours; for employees on an incentive, tonnage or piecework basis, such regular rate of pay shall be the average straight time hourly earnings as computed in accordance with existing practices. 111

c. "Adjustment Dates" are August 1 and November 1 of 1980; February 1, May 1, August 1 and November 1 of 1981 and 1982; and February 1 and May 1 of 1983. 116

d. "Change in the Consumer Price Index" is defined as the difference between (i) The Consumer Price Index Base (adjusted) and (ii) the Consumer Price Index for the second calendar 117

month next preceding the month in which the applicable Adjustment Date falls.

e. "Cost of Living Adjustment" is calculated as below and, except as is provided in Subsection 4 below, will be payable for the three-month period commencing with the Adjustment Date. 118

f. The "Cost of Living Adjustment" that was paid under the "Agreement Dates" May 1, 1980 (33%) will be excluded from the August 1, 1980, "Annual Cost Of Living Roll In" and will not be paid as a cost of living adjustment after 12:01 a.m. August 1, 1980. 119

2. Effective on each adjustment date, a cost of living adjustment equal to 1% per hour for each full .3 of a point change in the Consumer Price Index shall become payable for all hours actually worked and for any reporting allowance credited before the next adjustment date. However, such adjustment shall be reduced by an amount equal to the sum of all prior adjustments, if any, which shall have been included in the Standard Hourly Wage Scale Rates for non-incentive jobs and in the Hourly Additives for incentive jobs pursuant to the provisions of Subsection 4 below. 120

3. Until included in the rates pursuant to the provisions of Subsection 4 below, the cost of living adjustment shall be an "add-on" and shall not be part of the employee's Standard Hourly Wage Scale Rate. Until so included in the rates, such adjustment shall be payable only for hours actually worked and for reporting allowance and shall be included in the calculation of overtime premium but shall not be part of the employee's pay for any other purpose and shall not be used in the calculation of any other pay, allowance or benefit. 121

4. Annual Cost of Living Roll-In - In order that the annual rise in the cost of living adjustment may be fully reflected in the wage scale, effective August 1, 1980, effective again August 1, 1981, and effective again August 1, 1982 an amount equal to the amount of the cost of living adjustment then payable and in effect shall be included in the Standard Hourly Wage Scale Rates for nonincentive jobs and in the Hourly Additive for incentive jobs. Such inclusion shall be treated for all purposes, except as 122

provided in the Pension Agreement, as a general wage increase commencing on each of said dates.

5. Should the Consumer Price Index, in its present form and on the same basis (including composition of the "Market Basket" and "Consumer Sample") as the last index published prior to August 1, 1980, become unavailable, the parties shall attempt to adjust this Section K or, if agreement is not reached, request the Bureau of Labor Statistics to provide the appropriate conversion or adjustment which shall be applicable as of the appropriate adjustment date and thereafter. The purpose of such conversion shall be to produce as nearly as possible the same result as would have been achieved using the index in its present form. 123

6. If the Consumer Price Index falls below the Consumer Price Index Base, there shall be no cost of living adjustment. 124

L. Meal Allowance

A meal allowance of \$2.25 will be paid in accordance with the following work schedules. 125

When an employee works four (4) or more hours of overtime immediately following eight (8) hours of straight time or overtime. 126

No meal allowance will be paid when the four (4) hours precede the employee's normal eight (8) hour schedule or when the employee is notified in advance of the overtime schedule. 127

M. Earnings Protection Plan

1. Purpose 128

The purpose of the Earnings Protection Plan (EPP) is to protect a level of earnings for hours worked by employees, with particular emphasis on employees displaced in technological change, through provision of a benefit to be known as a Quarterly Income Benefit (QIB) which, when added to an employee's average earnings for hours 129

worked in a quarter, will increase such average earnings to a specified percentage of the employee's average earnings for hours worked during a base period preceding such quarter.

2. Definitions

When used in the EPP or in any agreement relating thereto, the following terms are intended to have the meaning set forth below:

"Average Earnings" - Average straight time hourly rate of earnings, determined by dividing total earnings (including applicable incentive earnings but excluding shift differentials and Sunday and overtime premiums) for all hours worked by the number of hours worked.

"Base Period" - A) The pay periods paid in the calendar year preceding the benefit quarter. B) For employees with 20 or more years of continuous service, the pay periods paid in the second calendar year preceding the benefit quarter, or A above whichever is greater.

"Base Period Rate" - The average earnings for the base period, plus the amount per straight time hour worked of any QIB paid for straight time hours worked in the base period.

"Benefit Quarter" - The pay periods paid in a calendar quarter with respect to which benefit determinations are to be made.

"Benefit Quarter Rate" - The average earnings for the benefit quarter.

"Eligible Employees" - Employees who have two or more years of continuous service (as determined under the Company's non-contributory pension plan) as of the end of the benefit quarter and who have worked 160 or more hours during the base period.

3. Quarterly Income Benefits

a. Each eligible employee shall receive QIB,

subject to all the provisions of the EPP, for any benefit quarter for which his benefit quarter rate does not equal or exceed 85% of his base period rate except for employees with 20 or more years of continuous service, the benefit quarter rate is extended to 90%

b. The amount of the QIB for an employee shall be determined with reference to the hours worked by him in the benefit quarter by multiplying (i) the sum of the number of such hours paid for at straight time plus 1.5 times the number of such hours paid for at overtime rates by (ii) the amount, if any, by which his benefit quarter rate was less than 85% (90% as provided in a. above) of his base period rate; subject to the provisions of "c" and "d" below.

c. In determining the amount of a QIB, the base period rate and the benefit quarter rate shall be appropriately adjusted to neutralize the effect of any general wage increase occurring after the start of the base period.

d. Any QIB otherwise payable shall be adjusted to the extent necessary to avoid a payment under this plan which would duplicate a payment under a worker's compensation or occupational disease law or under any other arrangement which provides an earnings supplement.

4. Disqualification

a. An employee shall not be paid any QIB for any benefit quarter if it is determined that his benefit quarter rate was significantly lower than it otherwise would have been because of any of the following (occurring in or before such benefit quarter):

(1) Assignment at his own request or due to his own fault to a job with lower earning opportunities or failure to accept assignment, or to assert assignment rights, to a job with higher earning opportunities; except in the case of assignments relating to the manning of a new facility or other situations where it is clear from

the surrounding circumstances that such event should not affect eligibility for a QIB.		To be eligible for the allowance for safety shoes purchases outside the Company, each employee must provide proof of purchase.	155
(2) Lower average performance under any applicable incentive than that which was reasonably attainable.	146	This benefit is in lieu of and supersedes any local practice or agreement to pay for shoes or metatarsals.	156
(3) Any occurrence which would disqualify the employee from a Weekly Benefit pursuant to paragraph 3. 5-c-(1), (2) or (3) of the SUB plan.	147	O. Special Payment	
b. If an employee quits or is discharged, no QIB shall be payable for the benefit quarter in which such quit or discharge occurs.	148	Each active employee as of August 1, 1980, shall receive a special payment in the amount of one hundred fifty dollars (\$150.00). Such special payment shall be paid in December, 1980.	157
5. General	149	Any employee on layoff or absent for physical disability who returns to work with unbroken continuous service shall also receive such special payment to be paid along with such employee's first pay after returning to work. Such special payment shall not be used in the calculation of any other pay, allowance, or benefit, regardless of any provision in this or any other agreement providing for such benefits.	158
a. Any QIB payable in accordance with the terms of this plan shall be paid promptly after the end of the benefit quarter for which it is payable, shall be considered wages for the purposes of any applicable law, and shall be included in calculating earnings for the purposes of the Company's non-contributory pension plan and vacations, but not for the SUB Plan or any other purpose. For the purposes above provided, the QIB shall constitute wages for the calendar quarter in which it is paid.	150	SECTION V - HOURS OF WORK	
b. All benefits payable under the EPP shall be paid by the Company.	151	A. Scope	
c. Disputes arising under the EPP shall be processed under the procedure applicable to disputes arising under the SUB Plan.	152	This section defines the normal hours of work and shall not be considered as a guarantee of hours of work per day or per week or of days of work per week. This Section shall not be considered as any basis for the calculation of overtime.	159
N. Safety Shoe Allowance		B. Normal Work Day	
Each employee, other than probationary employees, will receive during the term of this Agreement two allowances up to \$40.00 each toward the purchase of safety shoes for wear at the plant.	153	The normal work day shall be 8 hours of work in a 24-hour period. The hours of work shall be consecutive.	160
The first allowance will be paid between August 1, 1980, and July 31, 1981. The second allowance will be paid between August 1, 1982, and July 31, 1983.	154	C. Normal Work Week	
		The normal work week shall be five (5) consecutive work days, followed by a rest period of forty-eight (48) consecutive hours within a period of seven (7) consecutive days; provided, however, that on shift	161

changes the sixteen (16) hour rest period within the work day need not be provided in addition to, but may be considered as a part of the forty-eight (48) consecutive hour rest period and in the case of six-day schedules as a part of the twenty-four (24) consecutive hour rest period.

D. Schedules

1. Should it be necessary, in the interest of efficient operations, to establish schedules departing from normal, the Executive Board of the Union, the Committeeman of the department involved, and the Company may, at the written request of either party, confer to determine whether, based upon the facts of the situation mutually satisfactory modified schedules can be arranged, but the final right to arrange working schedules rests with the Company. Employees shall be given preference for schedules in accordance with their seniority. 162

2. All employees shall be scheduled on the basis of the normal work day and work week except where: 163

a. such schedules regularly would require the payment of overtime; 164

b. deviations from the normal work day and work week are necessary because of breakdowns or other matters beyond the control of the Company. 165

c. schedules deviating from the normal work day and work week are established by agreement between the Executive Board of the Union and the Committeeman of the department involved and the Company, or 166

d. deviations are necessary to avoid adversely affecting operations in the plant. 167

3. Schedules showing employee's work days shall be posted or otherwise made known to employees in accordance with prevailing practices 168

but not later than Thursday of the week preceding the calendar week in which the schedules become effective unless otherwise provided by local practice.

4. Schedules may be changed by the Company any time provided, however, indiscriminate changes shall not be made in such schedules, provided further that any changes made after Thursday of the week preceding the calendar week in which the changes are to be effective shall be explained at the earliest practicable time to the grievance committeeman of the employee affected; and provided, further, that with respect to any such schedules, no changes shall be made after Thursday except for breakdown or other matters beyond the control of the Company. 169

5. Should changes be made in schedules contrary to the provisions of paragraph 4, above, so that an employee is laid off on any day within the five (5) scheduled days and is required to work on what would otherwise have been the sixth or seventh work day in the schedule on which he was scheduled to commence work, the employee shall be paid for such sixth or seventh day worked at overtime rates in accordance with Section VI -Overtime. 170

E. Reporting Allowance

1. An employee who is scheduled or notified to report and who does report for work shall be provided with and assigned to a minimum of four hours of work on the job for which he was scheduled or notified to report, or in the event such work is not available, shall be assigned or reassigned to another job paying at least an equal hourly rate, provided he is qualified to do the work. In the event when he reports to work, no work is available, he shall be released from duty and credited with a reporting allowance of four (4) times the hourly rate of the job (including any applicable additive in Appendix A-1) for which he was scheduled or notified to report. When an employee who starts to work is released from duty before he works a minimum of four (4) hours, he shall be paid for the 171

hours worked at the rate for the reporting allowance equal to the hourly wage rate of the job (including any applicable additive in Appendix A-1) for which he was scheduled or notified to report multiplied by the unutilized portion of the four (4) hour minimum.

2. The provisions of the above paragraph 1 shall not apply in the event that: 172

a. strikes, work stoppages in connection with labor disputes, failure of utilities beyond the control of the Company, breakdown of equipment, government requirements or acts of God which interfere with work being provided; or 173

b. an employee is not put to work or is laid off after having been put to work, either at his own request or due to his own fault; or 174

c. an employee refuses to accept an assignment or reassignment within the first four (4) hours as provided in paragraph 1, above; 175

d. the Company gives reasonable notice of change in scheduled reporting time or that an employee need not report. 176

F. Allowance for Jury Service

An employee who is called for jury service or subpoenaed as a witness shall be excused from work for the days on which he serves (which includes required reporting for jury duty when summoned, whether or not he is used as a juror) and he shall receive, for each such day of jury service on which he otherwise would have worked, the difference between the payment he receives for such jury service and the amount calculated by the Company in accordance with the following formula. Such pay shall be based on the number of days such employee would have worked had he not been performing such jury service (plus any holiday in such period which he would not have worked) and the pay for each such day shall be eight (8) times his average straight time hourly rate of earnings (including applicable incentive earnings but excluding shift differentials and Sunday and overtime premium) during the last payroll period worked 177

prior to jury service. The employee will present proof that he did serve as a juror or was subpoenaed and reported as a witness, and the amount of pay, if any, received therefor.

Funeral Leave

When death occurs to an employee's legal spouse, mother, father, mother-in-law, father-in-law, son, daughter, brother or sister, grandparents and grandchildren (including stepfather, stepmother, stepchildren, stepbrother or stepsister when they have lived with the employee in an immediate family relationship), an employee, upon request, will be excused and paid for up to a maximum of three (3) scheduled shifts (or for such fewer shifts as the employee may be absent) which fall within a three (3) consecutive calendar day period; provided, however, that one such calendar day shall be the day of the funeral and it is established that the employee attended the funeral. Payment shall be eight (8) times his average straight time hourly earnings (as computed for jury pay). An employee will not receive funeral pay when it duplicates pay received for time not worked for any other reason. Time thus paid will not be counted as hours worked for purposes of determining overtime or premium pay liability. 178

H. Paid Lunch Period

Employees will receive a 20-minute paid lunch period. This 20-minute lunch period is not to interfere with production needs of the department. 179

SECTION VI - OVERTIME

A. Purpose

1. This Section provides the basis for the calculation of, and payment for, overtime and shall not be construed as a guarantee of hours of work per day or per week, or a guarantee of days of work per week. 180

2. It is the policy of the Company insofar as 181

practicable, to restrict production work to the regular established normal work day and work week, and the Company agrees that in making requests for overtime work outside of the regular established normal work day or work week, it will recognize the employee's right to decline overtime work for good cause. No employee shall be disciplined or lose holiday pay for declining overtime or holiday work if another qualified employee with less seniority in the overtime unit on the shift is available. If all qualified employees in the overtime unit on the shift decline the overtime or holiday work, the qualified employee with the least seniority in the overtime unit on the shift shall be assigned the work, unless he is able to obtain a qualified replacement in the seniority unit on the shift. Overtime shall be distributed pursuant to overtime practice outlined in Subsection E, below.

B. Definitions of Terms

1. The payroll week shall consist of any seven (7) consecutive days used by the Company for computing the pay of employees (which may or may not coincide with a week beginning at 12:00 midnight Sunday, or at the turn-changing hour nearest to that time). 182

2. The work day for the purposes of this Section is the 24-hour period beginning with the time the employee begins work. 183

3. Overtime rates shall be time and one-half the applicable hourly rate for the job on which the overtime hours are worked; except for employees on an incentive, tonnage or piecework basis, the applicable hourly rate shall be the average straight time hourly earnings as computed in accordance with existing practices. 184

C. Conditions Under Which Overtime Rates Shall Be Paid

1. Overtime rates shall be paid for: 185

a. Hours worked in excess of eight (8) hours in a work day; 186

f. Hours worked on a second reporting in the same work day where the employee has been recalled or required to report to the plant after working less than eight (8) hours on his first shift, provided that his failure to work eight (8) hours on his first reporting was not caused by any of the factors mentioned in Subsection V-E. 2 for purposes of disqualifying an employee for reporting allowance. 191

D. Non-Duplication

Payment of overtime rates shall not be duplicated for the same hours worked, but the higher of the applicable rates shall be used. To the extent that hours are compensated for at overtime rates under one provision, they shall not be counted as hours worked in determining overtime under the same or any other provision, and reporting allowance under Subsection E, Reporting Allowance of Section V 192

shall not be used for determining hours of work or earnings for the calculation of, or payment of overtime; provided, however, that a holiday in Section XII whether worked or not and whether scheduled as a day of work or not, shall be counted as a day worked in determining overtime under the provisions of Subsection VI - C. 1. c. above and hours worked on a holiday shall be counted for the purpose of calculating overtime under the provisions of Subsection VI - C. 1. a., above.

b. over four (4) hours, overtime will be offered to the most senior qualified employee in the overtime seniority unit who is available for such assignment or may be offered equally between the senior qualified employees from the respective shifts in the overtime seniority unit; one from the preceding shift and one from the succeeding shift. Any period of absence of an employee while on vacation pursuant to this Section or while absent due to a compensable disability in the year in which he incurred such disability, or while in military service in the year of his reinstatement to employment shall be deducted in determining the length of a period of absence from work for the purpose of this Subsection A-1.b. 210

2. An employee, even though otherwise eligible under this Subsection A, forfeits the right to receive regular vacation benefits under this Section if he quits, retires, or is discharged prior to January 1 of the vacation year. 211

3. Continuous service shall be determined by the employee's first employment or reemployment following a break in service, whichever is later and 212

in accordance with the provisions for determination of continuous service as set forth under Subsection B of Section VIII - Seniority, of this Agreement, except that there shall be no accumulation of service in excess of the first two years of any continuous period of absence on account of layoff or physical disability (except, in the case of compensable disability, as provided in Subsection B - 2. f., Section VIII - Seniority) in the calculation of service for vacation eligibility.

4. Any employee otherwise entitled to a regular vacation pursuant to this Agreement in the calendar year in which he retires under the terms of the Pension Agreement between the Company and the Union, which makes him eligible for a special retirement payment, but who has not taken such vacation prior to the date of such retirement, shall not be required to take a regular vacation in that calendar year and shall not be entitled to regular vacation pay for that calendar year or in any subsequent year. 213

B. Length of Vacation 214

1. Regular Vacation 215

a. An eligible employee who had attained the years of accumulated Company continuous service indicated in the following table in any calendar year during the continuation of this Agreement shall receive a regular vacation (except as otherwise provided) corresponding to such years of accumulated Company continuous service as shown in the following table:

An extended vacation, in any calendar year shall include the regular vacation in that year subject to the provisions of A-4 above.

In the event an employee is not entitled to a regular vacation at the time his extended vacation is taken or paid, the weeks of regular vacation and pay he would have received had he been entitled will be deducted from his extended vacation and pay. In such event he shall, in addition, receive a regular vacation if he becomes entitled later in the year. In the event an extended vacation overlaps two (2) calendar years, the regular vacation for the first of the two years shall be the regular vacation included unless the employee has already taken all such regular vacation, in which event the regular vacation for the second year shall be included in the extended vacation. Provided, however, if such employee has not taken all of his regular vacation for the first year, there shall be deducted from any regular vacation he may be entitled to in the second year the number of weeks of regular vacation he took in the first year. In addition, certain partial and retirement benefits are provided for below.

vacation.

5. An employee who has not become entitled to an extended vacation in accordance with paragraph 1 through 4 above, shall have 13 weeks of extended vacation pay vested to him when he becomes eligible for a regular vacation during 1976, 1977, or 1978, provided he has three or more years of continuous service. 233

In the event a laid off employee, or an employee who was on sick leave, returns to work prior to December 31, 1978, and after having received a partial benefit, such partial benefit shall be deducted from any extended vacation pay and time off to which he may become entitled prior to December 31, 1978. An employee who would have been covered by this paragraph except for the five year seniority requirement shall receive a partial benefit in accordance with (c) above provided he has at any time previously become eligible for a vacation, and has three or more years of company accumulated continuous service.

1979 Plan

The Extended Vacation Plan shall become effective January 1, 1979. To be eligible for vesting of an extended vacation an employee must have an accumulated company continuous service of more than three (3) years. Vesting of an extended vacation shall be determined as follows:

1. Fifty percent (50%) of all those employees, in order of accumulated company continuous service, who are eligible at December 31, 1978, for a regular vacation in 1979 and have three years of continuous service, shall become entitled to (vested) 13 weeks of extended vacation pay on December 31, 1978.

2. Fifty percent (50%) of all those employees, in order of accumulated company continuous ser-

3. All those employees who are eligible at December 31, 1980, for a regular vacation in 1981 and have three years of continuous service, exclusive of those employees who became vested for the 13 weeks of vacation pay in 1979 or 1980 shall have vested to them 13 weeks of extended vacation pay on December 31, 1980.

4. In addition, an employee who was not eligible at December 31, 1978, or 1979, for a regular vacation in 1979 or 1980, but, who becomes eligible for such regular vacation during 1979 or 1980 shall thereupon have vested to him 13 weeks of extended vacation pay provided his accumulated company continuous service entitles him to such extended vacation.

5. An employee who has not become entitled to an extended vacation in accordance with paragraph 1 through 4 above, shall have 13 weeks of extended vacation pay vested to him when he becomes eligible for a regular vacation during 1981, 1982, or 1983, provided he has three or more years of continuous service.

6. In addition, an employee who retires on pension, except on a deferred vested pension, on or after December 31, 1978, and who has not become vested to the 13 weeks of extended vacation pay, shall become vested for such pay subject to any applicable deduction under A-4 above.

7. In no event shall more than one extended vacation vest to any employee during any five year period under this plan. Promptly after the determinations are made in accordance with the above paragraphs, the Company shall notify those employees who have become vested of their vesting.

8. Partial Benefits

a. Partial benefits are in addition to any regular vacation to which the employee may be entitled.

b. An employee who retires after having an extended vacation vested shall, in addition, receive a partial benefit, which will be one week of vacation pay for six months, or major fraction thereof, between his vesting date and the date he became eligible for a normal retirement or otherwise retires, whichever date is earlier. Employees who retire on deferred vested pensions are not entitled to partial benefits.

c. An employee whose employment is terminated by reason of quit or discharge before he becomes vested to 13 weeks of extended vacation pay shall be entitled to a partial benefit of one week's vacation pay for each six months, or major fraction thereof, of company continuous service accumulated subsequent to January 1, 1979, or when he first became eligible for a vacation, whichever is later.

d. An employee who is laid off or goes on sick leave after October 29, 1978, and remains on such layoff or sick leave for more than two years, or who dies after October 29, 1978, after having accumulated five (5) years of company continuous service, and before he becomes vested, shall be entitled to a partial which shall be the greater of that provided in (b) above, computed from January 1, 1979, or six weeks of vacation pay. In the event a laid off employee, or an employee who was on sick leave returns to work prior to December 31, 1983, and after having received a partial benefit, such partial benefit shall be deducted from any extended vacation pay and time off to which he may become entitled prior to December 31, 1983. An employee who would have been covered by this paragraph except for the five year seniority requirement shall receive a partial benefit in accordance with (c) above provided he has at any time previously become eligible for a vacation and has three or more years of company accumulated continuous service.

D. Return from Vacation

1. Notwithstanding any provisions of Section VIII-B, an employee who overstays his vacation

250

251

252

253

254

leave without first notifying his plant management and securing permission for the extension, unless such notification proves to be impractical, may be subject to disciplinary action.

2. An employee returning from an extended vacation shall contact his plant management in person or by telephone on the Tuesday, Wednesday, or Thursday prior to his scheduled return to indicate his intention to return and to make arrangements for his return. An employee who fails to so-report shall not be entitled to reporting pay on the day of his return in the event he is not put to work.

E. Vacation Scheduling

1. The vacation period shall be from January 7, 1980 through January 4, 1981 in the vacation year 1980, from January 5, 1981 through January 3, 1982 in the vacation year 1981, and from January 4, 1982 through January 2, 1983 in the vacation year 1982, January 3, 1983 through January 1, 1984 in the vacation year 1983.

2. Promptly after the union is notified of the Company's intention regarding a plant shutdown for vacation, each eligible employee shall be requested to specify the vacation period the employee desires for regular and extended vacation. Such request will be made in writing (not later than 15 days after the receipt of such request) on or promptly after November 1 of each year on a form provided by the Company. Vacations shall, so far as possible, be granted at times most desired by employees on a seniority basis, but the final right to allotment of vacation periods is exclusively reserved to the Company in order to insure the orderly operation of the plant. Vacation scheduling will be completed by the first working day in January of each year except as provided in paragraph 4. hereof.

3. It is understood and agreed that the plant or any department thereof may be shut down for one or two week periods during the 10 consecutive week period commencing with the calendar week in which June 15 occurs and the Christmas week defined as follows: In 1980, week beginning with December 21; in 1981, the week beginning with December 20; in 1982, the week beginning with December 19; and in 1983, the week beginning with December 25. Such period may be designated by the Company as comprising all or a part of the vacation

period for any employees of the plant who are qualified to receive vacation privileges. The Union shall be notified promptly after November 1 if the Company intends to shut down for vacation during the succeeding vacation year and if so the dates of such shutdown. This paragraph is not intended to affect the application of other rules concerning the scheduling of vacations set forth in this Section.

4. Any employee absent from work because of layoff, disability or leave of absence at the time employees are requested to specify the vacation periods they desire and who has not previously requested and been allotted a vacation period for the calendar year, may be notified by the Company that a period is being allotted as the employee's vacation period but that the employee has the right within fourteen (14) days to request some other vacation period. If any such employee notifies the Company in writing, within fourteen (14) days after such notice is sent, that the employee desires some other vacation period, the employee shall be entitled to have vacation scheduled in accordance with the foregoing paragraph 2.

5. Within a period of ninety (90) days, following notification of vesting of extended vacation, pursuant to paragraph C-7 (of applicable plan), above, each eligible employee shall notify the Company of the number of consecutive weeks of time off of extended vacation the employee desires, which shall be not less than seven (7) weeks, nor more than thirteen (13) weeks and the employee shall at the same time designate, in order of preference, three options prior to December 31, 1973 (December 31, 1978, in the 1979 Plan), during which he desires to take such extended vacation time off. The employees at their option may in addition to the planned shutdown or maintenance shutdown split the number of extended weeks they are taking off into three periods. If any planned shutdown period is extended by scheduling weeks of extended vacation either before or after the shutdown period, it will constitute an additional period.

6. Time lost by an employee for a period of at least an entire payroll week due to the necessity of reducing the working force or due to bona fide sickness or injury after exhausting of Accident and Sickness benefits or due to leave of absence may be

applied to any vacation time to which such employee is entitled if the employee so requests.

7. The employee shall take vacation as scheduled by the Company provided the employee has not had time lost as described applied to all regular vacation time to which the employee is then entitled. The employee's wishes as to the time the employee's vacation is to be scheduled will be given consideration, in accordance with the employee's plant seniority, but such schedule will necessarily be governed by the operating requirements of the plant.

8. a. Extended vacations shall consist of not less than seven (7) nor more than than thirteen (13) consecutive weeks and shall be scheduled, for those entitled, once during the five year period beginning January 1, 1974, (January 1, 1979, for the 1979 Plan) and after this benefit becomes vested.

b. The Company shall, to the extent practicable, schedule employees for extended vacation in approximately equal numbers each year. This shall not limit the right of the Company to schedule at an accelerated rate.

c. If such scheduling of extended vacations would result in undue dilution of experienced employees in a classification, department, or agreed upon subdivision thereof because of vacations starting in any one year, then the Company may schedule the starting dates of such extended vacations so that not more than 20% of those employees will have such extended vacations starting in any given year.

d. In the event of a substantial increase in employment, the time to schedule extended vacations shall be sufficiently extended past December 31, 1978, (December 31, 1983, in the 1979 Plan) in order to insure the orderly operation of the plant. The Company and the Union will make the appropriate adjustment in the scheduling provisions.

e. An employee who becomes entitled to an extended vacation in 1978, (1983 in the 1979 Plan) shall be scheduled for such vacation not later than during 1979 (1984 in the 1979 Plan) except for (d) above.

f. Employees scheduled for extended vacation must be notified at least 90 days prior to the commencement of such extended vacation and no scheduled extended vacation shall be changed without at least 60 days' notice to the employee, unless the employee consents to the schedule or change in schedule. 268

g. If an employee is on layoff at any time between the date the employee is notified of the time of the employee's scheduled extended vacation and 90 days prior to the commencement of such vacation, the employee may elect not to take such vacation and this election shall not jeopardize the subsequent scheduling thereof. With the approval and under the conditions set forth by the Company, an employee entitled to an extended vacation and who is on layoff or has exhausted sickness and accident benefits may elect to have such extended vacation scheduled while on such layoff or after such exhaustion. 269

F. Reports

From time to time during the term of this Section the Company shall furnish the Union, on forms and at times to be agreed upon, with such information as may be reasonably required for the purpose of enabling it to be properly informed concerning the operation of this Section. 270

G. Vacation Pay

1. Regular Vacation and Extended Vacation 271
Each employee granted vacation will be paid in accordance with the following: 272

a. At the employee's average rate of earnings per hour (as determined by dividing total earnings earned for hours worked in the calendar year preceding the vacation year by actual hours worked times the average hours worked per week in the calendar year preceding the vacation year). In no event shall credit for hours worked be less than 40 hours per week. 273

2. Vacation pay computed prior to a general wage increase for a vacation or portion thereof scheduled after such wage increase in such year shall be adjusted for such increase in such year. 274

3. In the event of death of an employee who was eligible for a vacation, the amount of vacation pay to which he would have been entitled shall be paid to his spouse or his estate. 275

4. An employee who is 63 years of age or older 276

at the time his extended vacation is scheduled (provided the scheduled date is not more than two years after his vesting date) may, at his option, take such vacation as scheduled, or elect to take such vacation during the thirteen weeks prior to retirement, or as a lump sum payment at retirement. In the event he elects to receive a lump sum, an amount equal to his regular vacation pay, whether or not he is eligible, shall be deducted from the 13 week extended vacation pay provided that no deduction will be made from an employee who retires on a disability pension unless he is not entitled to a regular vacation in the year of retirement. The amount of any regular vacation for the calendar year of retirement which is included in an extended vacation taken before retirement shall be deducted from his Special Retirement Payment.

5. In the event of a war or other national emergency, or federal legislation designed to reduce the normal work week below 40 hours, either party may notify the other of a desire to negotiate with respect to an appropriate modification of this plan or its termination. In the event of failure to agree within 120 days from such notice, if given as a result of the above-described type of federal legislation, the plan shall remain in effect subject to the termination provision of the Agreement, but the parties shall be free to strike or lockout in support of their positions with respect to such matters (and no other) notwithstanding the provisions of any other agreement between the parties. 277

SECTION VIII - SENIORITY

A. Seniority Status of Employees

1. The parties recognize that promotional opportunity and job security in event of promotions, decrease of forces and rehiring after layoffs should increase in proportion to length of continuous service, and that in the administration of this Section, the intent will be that wherever practicable full consideration shall be given continuous service in such cases. 278

2. In recognition, however, of the responsibility of the Company for the efficient operation, it is understood and agreed that in all cases of: 279

a. Promotion (except promotions to positions excluded under the definitions of "employees" in Section I - Recognition) the following factors as 280

listed below shall be considered:

(1) continuous service and ability to perform the work. 281

(2) physical fitness. 282

b. Decrease in forces or rehiring after layoffs, the following factors as listed below shall be considered: 283

(1) continuous service and ability to perform the work. 284

(2) physical fitness. 285

c. Any employee of any department in the plant being laid off for lack of work and because he does not have sufficient departmental seniority to remain in the department in which he is employed shall have the right to demote to the Labor Pool where he shall retain employment so long as any employee in the Labor Pool has less plant seniority than the employee involved. The Labor Pool shall be made up of all jobs in job classes 1, 2 and 3 and such other jobs in other job classes as shall be agreed upon, the number of which shall be equal to at least the number of jobs in job class 4. Employees laid off from their department on or after Monday shall not have the right to so demote until Monday of the next week. 286

B. Calculation of Continuous Service

1. There shall be no deduction of any time lost which does not constitute a break in continuity of service. 287

2. Continuous service shall be broken by: 288

a. Voluntarily quit. 289

b. Absence due to discharge, termination or suspension, any of which continues for more than six (6) months; and unrenewed leave of absence for thirty (30) days. 290

c. Termination in accordance with Section XIV - Severance Allowance. 291

d. Absence in excess of the period during which continuous service can accumulate under paragraph e, below, or failure to give written notice required by said paragraph e. 292

e. Subject to the provisions of subparagraph f, below, if an employee shall be absent because of layoff or physical disability, he shall continue to ac- 293

cumulate continuous service during such absence for two years and for an additional period equal to (1) three years, or (2) the excess, if any, of his length of continuous service at commencement of such absence over two years, whichever is less. Any accumulation in excess of two years during such absence shall be counted, however, only for purposes of this Section VIII including local agreements thereunder, and shall not be counted for any other purpose under this or any other agreement between the Company and the International Union. In order to avoid a break in service after an absence of two years, the employee must give the Company annual written notice that he intends to return to employment when called, if the Company at least thirty (30) days prior thereto has mailed him a notice at the most recent address furnished by him to the Company that he must file such notice.

f. Absence due to a compensable disability incurred during course of employment shall not break continuous service, provided such individual is returned to work within 30 days after final payment of statutory compensation for such disability or after the end of the period used in calculating a lump sum payment. 294

g. If his employment shall be terminated by the Company, because he shall have been absent from work for 10 days or more without reasonable cause or because he shall have failed without such cause promptly to return to work after a leave of absence or when recalled to work after a layoff. 295

C. Probationary Employees

New employees and those hired after a break in continuity of service will be regarded as probationary employees for the first 520 hours of actual work and will receive no continuous service credit during such period. Probationary employees may initiate complaints under this Agreement but may be laid off or discharged as exclusively determined by the Company; provided that this will not be used for purposes of discrimination because of race, color, religion, national origin, or sex or because of membership in the Union. Probationary employees continued in the service of the Company subsequent to the first 520 hours of actual work shall receive full continuous service credit from date of original hiring. 296

D. Seniority with Relations to Non-Bargaining Unit Occupations

1. When an employee is transferred to fill a permanent vacancy, he shall, during the first sixty (60) calendar days following such transfer, have the right to return to the job he left with accumulated department and plant seniority. Following the expiration of this sixty (60) calendar day period, he shall forfeit all accumulated seniority in the bargaining unit. 297

2. During the sixty (60) calendar day trial period, the job he left will be temporarily filled in accordance with paragraphs A and F of this Section.. 298

3. When an employee is transferred to a temporary vacancy outside the bargaining unit jobs, he shall, during the first four (4) months following such transfer, have the right to return to the job he left with accumulated department and plant seniority. Following the expiration of the four (4) month period, he shall forfeit all accumulated seniority in the bargaining unit. 299

E. Posting of Job Openings

1. When a vacancy develops, or is expected to develop (other than a temporary job or a job of less than thirty (30) calendar days duration) in the promotional line in any seniority unit, the Company shall, to the greatest degree practicable, post notice of such vacancy or expected vacancy, or job assignment for a period of five (5) working days and in such manner as may be appropriate at the plant. Such posted jobs shall be outlined on the posted notice as to content, rate of the job posted and incentive, if any. 300

2. Employees in the seniority unit who wish to apply for the vacancy or expected vacancy may do so in writing in accordance with rules developed by the Company at the plant. 301

3. The Company shall, if in its judgment there are applicants qualified for the vacancy or expected vacancy, fill same from among such applicants in accordance with the provisions of Subsection A of this Section. 302

F. Temporary Vacancies

1. Vacancies of fourteen (14) calendar days or less, excluding temporary vacancies resulting from vacations, shall be considered temporary vacancies. Temporary vacancies may or may not be filled 303

as determined by the Company. If the Company chooses to fill a temporary vacancy it shall be filled by any means at the Company's discretion.

2. Temporary vacation vacancies or temporary vacancies that exceed fourteen (14) calendar days but are less than thirty (30) calendar days duration, the Company shall to the greatest degree consistent with the efficiency of the operation and safety of employees, assign the employee with the longest continuous service in the unit provided such employee desires the assignment. Should all senior employees decline to fill the temporary vacancy, the Company may assign the junior qualified employee in the unit or may assign an employee from the labor pool who desires the assignment. 304

3. An employee assigned as outlined in 2, above, shall be returned to the job he left when the incumbent returns to the job or when the job is filled as set forth in paragraph 4. hereof. 305

4. When a temporary vacancy, excluding temporary vacancies resulting from vacations, has existed for thirty (30) calendar days and it appears that it will continue in excess of thirty (30) calendar days, the Company will post the temporary vacancy in accordance with Subsection E, above, subject to the right of the absent incumbent to return to the job in which case the employee who was awarded the job in his absence shall be returned to the job he left to fill the vacancy. If the incumbent does not return to the job, the job shall be considered as permanently filled on the basis of the posting. 306

5. An employee assigned by the Company to fill a temporary vacancy shall be paid in accordance with Section IV - H. 2. 307

6. An employee assigned to fill a temporary vacancy in accordance with 1. above shall be returned to the permanent job the employee held prior to the temporary assignment. 308

G. Transfers at Request of Employees

1. When an employee is transferred at his own request from one department to another, such transfer shall be probationary for a period of fourteen (14) calendar days or a minimum of ten (10) working days. At any time within the period specified, the employee may return of his own volition to his original department, or may be returned 309

by the Company to his original department. In such case, the employee shall retain his original department seniority. If the employee elects to remain in the new department, after the expiration of the fourteen (14) calendar days (or a minimum of ten working days) period, he becomes a new employee in the new department and loses his seniority in his old department.

2. Employees with one (1) or more years of continuous service shall not be permitted to make such a transfer of department more often than once in six (6) consecutive months, with the exception that an employee while he is laid off from the plant, or to the Labor Pool within this six (6) months period, may make a new application for a transfer of department. However, employees with less than one year of continuous service shall not be permitted to make such a transfer of department more often than once in six (6) consecutive months even though on layoff or in the Labor Pool.

3. If an employee who makes application to transfer from one department to another or to a new job in the same department, and once accepts assignment to the job, later withdraws his application, he shall not be eligible to make further application for any job for a period of six (6) months. This paragraph shall not apply to an employee transferring to a new job in the same department until he has had a trial period of five days on the new job.

4. If an employee makes a transfer of job within a department to a job of equal or lower rate of pay, he must work at that job for a minimum period of twelve (12) months before becoming eligible for another transfer within the department except that he may transfer to a job at a higher rate of pay or to a preferential shift. Such shift preference shall not be more often than two (2) times in any twelve (12) consecutive month period.

H. Transfer Due to Disability and Age

Cases of this type shall be handled by agreement between the Company and Executive Committee of the Union and committeeman of the departments involved. Such transfers may be used for the purpose of rehabilitation.

The intent of this provision is to retain in active employment the plant grievance committeeman for the purpose of continuity of the administration of the Labor Contract in the interest of employees so long as a work force is at work, provided that no grievance committeeman shall be retained in employment unless work which he can perform is available to him in the plant area which he represents on the grievance committee. Members of the Union Executive Board plus the Chairman of the Grievance Committee may, if they so choose, work the daylight shift so long as they are on a 15-turn schedule. This choice does not apply to rotating or 21-turn schedules.

2. Leaves of absence shall be for a period not in excess of one year and may be renewed for a further period of one year.

3. Continuous service shall not be broken by the leave of absence but will continue to accrue.

K. Seniority Units

1. The existing seniority unit or units to which the seniority factors shall be applied and the rules for application of the seniority factors, including service dates within these units, shall remain in effect

315

316

Such lists shall be revised by the Company from time to time, as necessary, but at least every six (6) months, to keep them reasonably up-to-date. The seniority rights of individual employees shall in no way be prejudiced by errors, inaccuracies or omissions in such lists. 321

M. Interplant and Intraplant Transfers

1. It is recognized that new plant or department capacities may be added or expanded, necessitating transfer of employees. It is agreed that problems arising out of the transfer of employees, or the retransfer of employees from new plants to the plants or departments from which they were originally transferred or the transfer of employees from discontinued departments or plants to new plant or departments are matters for which adjustment shall be sought between the Company and the grievance committee or committees. 322

2. In the event the above procedure does not result in agreement, the International Union and the Company may work out such agreements as they deem appropriate irrespective of seniority agreements existing pursuant to Subsection K of this section or an affected employee may submit the matter to the grievance procedure. 323

N. Utility Pools

Where a department utility pool exists to service the temporary vacancy needs of a number of seniority units (Continuous Rolling Mill - Presses and 32" Mill -9"/12" and 16" Mills), employees in 324

these positions who do not have a bidded job in the areas which they service may exercise their departmental service in bidding on vacancies in these seniority units prior to posting such vacancy plant-wide.

On layoff, employees in the units being serviced by the utility pool will exercise their department seniority (Hot Mill date in 9"/12" and 16" mills) to hold in the position of utility prior to layoff to the labor pool. 325

Temporary vacancies in the seniority units serviced by the utility pool and temporary vacancies in the utility pool will be filled in accordance with Section VIII - F. 1. and 2. 326

The number of employees assigned in the respective utility pools will be determined by the Company. 327

Employees in the utility pool not utilized to fill temporary vacancies will perform miscellaneous labor work - scale clean-up, wash-down, and other various duties in the department that the unit services. 328

Overtime will be distributed in accordance with the plant overtime distribution policy. 329

2. If filing dates are the same, they will be placed on the seniority lists in the order of the date they were interviewed for employment. 335

3. If 1. and 2. above are the same, they will be placed on the seniority list in order of the time of the day they were interviewed. 336

1. Temporary summer employees are to be paid at a rate of 90% of the applicable job class rate of the job class being performed in accordance with Appendix A and A-1 rate schedules. 337

2. Temporary summer employees hired will receive no continuous service credit with the Company and agree to voluntarily resign their employment on a date to be designated by the Company. 338

SECTION IX - ADJUSTMENT OF GRIEVANCES

A. It is agreed that the procedure provided in this Section is adequate for fair and expeditious settlement of any grievances. Grievances to be considered must be filed within 30 calendar days after the occurrence thereof. 339

B. Should differences arise between the Company and the Union or an employee as to the meaning and application of the provisions of this Agreement or should any dispute of any kind arise in the plant, there shall be no suspension of work on account of such differences, but an earnest effort shall be made to settle such differences promptly in the manner hereinafter outlined. Any grievance in the process of adjustment on the date of the execution of this Agreement shall be handled in accordance with the grievance procedure outlined in the 1978 Basic Agreement. 340

2. If a complaint or a request has not been satisfactorily resolved in Step 1, it can be presented in writing and processed in Step 2 if a member of the grievance committee determines that it constitutes a meritorious grievance. 342

Step 2

1. A grievance, to be considered further must be filed in writing with his General Foreman or in his absence the Department Superintendent, on forms furnished by the Company, within ten calendar days after the conclusion of the Step 1 discussions. It shall be dated and signed by the employee (or other employees affected) and a member of the grievance committee and should include such information and facts as may be of aid to the Company and the Union in arriving at a fair, prompt and informed decision. A Step 2 meeting will be scheduled by the Company within 10 calendar days following receipt of appeal to Step 2. The meeting will be between the employee, a member of the grievance committee, the General Foreman or his designated representative. The answer to the grievance shall be given by the General Foreman or his designated representative within five (5) calendar days following the Step 2 meeting and shall be signed and delivered to the employee and a member of the grievance committee. 343

2. Grievances filed in writing will set forth the following minimum information: 344

b. Date on which grievance was discussed with supervision; 346

c. Name of the supervisor with whom the grievance was discussed; 347

d. Decision of supervisor;

e. Nature of the grievance and remedy sought; 349

f. Specific contract provision under which the grievance is filed, if applicable; 350

- g. Date of Presentation of grievance; 351
- h. Signature of the aggrieved employee and a member of the grievance committee. 352

Step 3

- 1. In order for a grievance to be considered further it must be appealed in writing to the Manager of Labor Relations, signed by a staff representative of the International Union, within 10 calendar days following the receipt of the Step 2 answer by a member of the grievance committee. 353

A Step 3 meeting will be scheduled by the Company within 30 calendar days following receipt of the appeal to Step 3. The meeting will be between the employee (if he so desires), the members of the grievance committee (maximum of four (4), one of which is the Chairman of the Grievance Committee, the local Union President, the Staff Representative of the International Union and the Manager of Labor Relations and/or duly designated representatives of the Company (maximum of four (4).) 354

A written answer to the grievance shall be given by the Manager of Labor Relations or his representative within 10 calendar days following the Step 3 meeting mailed to the staff representative of the International Union post marked no later than 10 calendar days following the Step 3 meeting with a copy to the aggrieved employee and Chairman of the Grievance Committee. 355

- 2. Grievances which allege violations directly affecting employees working under more than one supervisor, General Foreman or Department Superintendent shall be filed initially in Step 3. 356

- 3. If the Company's decision on Step 3 is not appealed to arbitration within the prescribed time limits, the grievance shall be considered settled on the basis of the Company's answer, but such settlement shall not constitute a precedent in any other case. 357

- 4. If a grievance is not answered by the Com- 358

pany within the specified time limits, the staff representative of the International Union shall have the right to declare the grievance granted and, upon written notification, the Company shall comply therewith, but such settlement shall not constitute a precedent in any other case.

D. Arbitration

Step 4

- 1. If the employee and the union desire to appeal the grievance to arbitration, the staff representative of the International Union must mail to the Director of Industrial Relations of the Company written notice post marked within 10 calendar days from receipt of the Step 3 answer. 359

- 2. The staff representative of the International Union when serving notice of appeal of a grievance to arbitration, will submit a list of at least four arbitrators who are acceptable for hearing the case. 360

- 3. Upon receipt of the appeal and list of arbitrators, the Company will, within 10 calendar days, either accept one of the arbitrators or submit an alternate list of four arbitrators for consideration by the union. 361

- 4. If representatives of the Company and the union cannot agree on an arbitrator from either list, within 30 calendar days from the receipt of the notice of appeal date, the union shall, within 5 calendar days thereafter, request a list of seven recognized arbitrators from the Federal Mediation and Conciliation Service, such list to be sent to both parties. A representative of the Company and the union shall, within 10 calendar days after the Company receives the list from Federal Mediation and Conciliation Service and alternately strike the names of arbitrators from the list. The remaining arbitrator not so stricken shall be requested to hear the case. A copy of the union's request to the Federal Mediation Service shall be sent to the Director of Industrial Relations. 362

- 5. Upon the selection or appointment of an arbitrator, the Company will within five calendar days of selection of the arbitrator, forward to the arbitrator a copy of the written grievance, prior dispositions by company representatives, copy of agreement between the parties, and notifying the arbitrator that a hearing must be scheduled within 60 calendar days after the date of the letter to the arbitrator. A copy of the Company's letter to the 363

arbitrator will be sent to the staff representative of the International Union.

6. The arbitrator shall provide his award within 30 (calendar) days after receipt of final briefs of the parties. Final briefs must be postmarked within 14 calendar days following the close of the hearing. Failure of the arbitrator to issue a timely award, the parties shall select another arbitrator in accordance with Section D. 364

7. The arbitrator's decision shall be final and binding on both parties and his compensation and the expenses of the hearing shall be borne equally by both parties. If desired by either party, or by the arbitrator, a stenographic record shall be made of all testimony taken before the arbitrator and such record shall be furnished to the arbitrator. If the record is desired by both parties or by the arbitrator, the cost of the record furnished to the arbitrator shall be shared equally by the parties. If both parties do not desire a record, or, if the arbitrator does not request a record but it is desired by either party, the cost of the record shall be borne by the party desiring it. Awards or settlements of grievances may or may not be retroactive but in no event may any award in a continuing grievance be retroactive to a date earlier than 30 days prior to the date on which the grievance was filed in writing unless otherwise provided in this Agreement. The arbitrator shall only have jurisdiction and authority to interpret, apply, or determine compliance with the provisions relating to wages, hours of work and other conditions of employment set forth in this Agreement insofar as shall be necessary to the determination of such grievances arising hereunder, but the arbitrator shall not have jurisdiction or authority to substitute his discretion for the Company's discretion (in cases where discretion is reserved to the Company under this Agreement) or to add to, detract from, or alter in any way the provisions of this Agreement. 365

E. General Provisions Applying to Grievances

1. At all steps in the grievance procedure, and particularly at the Third Step, the grievant and the Union representative should disclose to the Company representatives a full and detailed statement of the facts relied upon, the remedy sought, and the provisions of the Agreement relied upon. In the same manner, Company representatives should disclose all the pertinent facts relied upon by the Company. 366

2. a. Except for disciplinary action grievances, in order to avoid the necessity of filing numerous grievances on the same subject or event, or concerning the same alleged contract violation occurring on different occasions, a single grievance may be filed by an affected employee or the Union and the facts of alleged additional violations (including the dates thereof) may be presented in writing in the appropriate Step on a form supplied by the Company. Such additional claims shall be filed promptly and must be signed by each additional grievant. 367

b. When the original grievance is resolved in the grievance or arbitration procedure, the parties resolving such grievance shall review such pending claims in the light of the decision in an effort to dispose of them. If any claim is not settled, it shall be considered as a grievance and processed in accordance with the applicable procedure and the applicable time limitations. 368

F. Union Grievances

The grievance procedure may be utilized by the Union in processing grievances which allege a violation of the obligations of the Company to the Union as such. In processing such grievances, the Union shall observe the specified time limits in appealing and the Company shall observe the specified time limits in answering. In the event an employee dies, the Union may process on behalf of his legal heirs any claim he would have had relating to any monies due under any provision of this Agreement. 369

G. Suspension of Grievance Procedure

It is further understood that an interruption or impeding of the work, stoppage or strike on the part of the union or a lockout on the part of the Company, shall be a violation of this Agreement, and that 370

under no circumstances shall the parties hereto discuss the grievance in question or any other grievances while the work interruption, impeding or suspension of work is in effect. It is further agreed that, if this procedure is not followed and as a result of such failure an interruption or impeding of the work, stoppage, or strike occurs, the offending person or persons refusing to resume normal work may be suspended and later discharged from the employ of the Company in accordance with Section X of this Agreement, provided, however, that prior to such discharge the Company will provide a list of names, clock numbers and addresses of employees considered by it to be involved to the staff representative of the International Union in the District in which the plant is located.

H. Union Grievance Committee

1. The Grievance Committee for the plant shall consist of not less than three (3) and not more than nine (9) employees, designated by the union in writing to the Company, who will be afforded such time off without pay as may be required, except when meeting is called by the Company to:
 - a. Attend scheduled committee meetings,
 - b. Attend meetings pertaining to discharge or grievance meetings, and
 - c. Visit departments other than their own at all reasonable times, only for the purpose of handling grievances, after notice to the head of the department to be visited and permission from their own department head.
2. The maximum number of grievance committee members permitted to attend a meeting with Company representatives or investigate a grievance shall be four (4).
3. The union may appoint representative stewards who shall aid the grievance committee in the prompt handling of grievances. The stewards shall be permitted to represent employees up to and in-

cluding Step 2 only, in the procedure for the adjustment of grievances, set forth in this section, and will be afforded such time off without pay, as may be required. The union shall notify the Company in writing of all duly appointed and authorized stewards.

SECTION X - SUSPENSION AND DISCHARGE CASES

A. In the exercise of its rights as set forth in Section II - Management, the Company agrees that an employee shall not be peremptorily discharged or suspended for a period of five (5) work days or more, but that in all instances in which the Company may conclude that an employee's conduct may justify discharge or suspension of five (5) work days or more, he shall first be suspended for a period of five (5) work days and given written notice of such action. A copy of such notice shall be furnished to the employee's Grievance Committeeman as soon as practicable.

B. During this period of initial suspension, the employee may, if he believes that he has been unjustly dealt with, request a hearing and a statement of the offense before his department head and department superintendent with his steward, union president and/or member of the grievance committee present as he may choose. At such hearing, the facts concerning the case shall be made available to both parties.

C. After such hearing, or if no such hearing is requested, the Company shall conclude whether the suspension shall be converted into discharge, or, dependent upon the facts of the case, that such suspension shall be extended, reduced, sustained or revoked. If the suspension is revoked, the employee shall be returned to employment and receive full compensation at his regular rate of pay for the time lost. In the event the disposition shall result in either the affirmation or extension of the suspension or discharge of the employee, the employee may within five (5) calendar days after such disposition file a grievance in Step 3 in accordance with the pro-

cedure of Section IX - Adjustment of Grievances. Final decision on all suspension or discharge cases shall be made by the Company within five (5) calendar days from the date of filing the grievance, if any.

D. In discharge cases, the time limits as set forth in Section IX - Adjustment of Grievances shall apply except: 380

1. File grievance within 5 calendar days after discharge. 381

2. Step 3 hearing within 15 calendar days after appeal to Step 3. 382

3. Step 3 answer within 5 calendar days after Step 3 meeting. 383

4. Arbitration hearing within 30 calendar days after Company letter to arbitrator. 384

5. Arbitrator award within 30 calendar days after receipt of final briefs of the parties. Final briefs must be postmarked within 14 calendar days following the close of the hearing. 385

E. Should it be determined by the Company after the hearing or by an arbitrator in accordance with Step 4 of the Grievance Procedure that the employee has been discharged or suspended unjustly, the Company shall reinstate the employee and pay for the time lost in accordance with such determination. 386

F. If such initial suspension is for not more than four (4) calendar days and the employee affected believes that he has been unjustly dealt with, he may file a grievance and have it processed in accordance with Section IX - Adjustment of Grievances. 387

G. An employee who is summoned to meet in an office with a supervisor other than his own immediate supervisor for the purpose of discussing 388

possible disciplinary action shall be entitled to be accompanied by his grievance committeeman if he requests such representation, provided such representative is then available, and provided further that, if such representative is not then available, the employee's required attendance at such meeting shall be deferred only for such time during the shift as is necessary to provide opportunity for him to secure the attendance of such representative.

H. Reports covering disciplinary penalty of four day's suspension or less of an employee will not be held against such employee who has a clean record for at least two years following the date of his last disciplinary report. Reports covering disciplinary penalty of five days or more will not be held against any such employee who has a clean record for at least five years following the last disciplinary report. 389

SECTION XI - MILITARY SERVICE A. Re-employment

1. Except as shall be otherwise provided by law or by agreement in writing between the parties hereto, should any employee other than temporary employees at the plant, who has entered or shall enter the military service of the United States, be honorably discharged from such service and shall within ninety (90) days after he is relieved from such service or in the case of disabled veterans within ninety (90) days after the completion of hospitalization continuing after discharge, apply to the Company in writing for reemployment at such plant for the purposes of Section VIII - Seniority, his record of continuous service at that plant shall be deemed not to have been broken by his absence on such military service, and on the basis of said seniority, (determined in accordance with the provisions of said Section VIII) he shall be entitled to reemployment at such plant, if and when work which he is qualified to perform is available in such plant to a position, wage rate and status which he would have reached in normal job and wage pro- 390

gression had he not left the Company for such services and he shall be given preference over any other employee with less seniority as so determined by said Section VIII. Should the employee be unable to perform the job to which he is thereby entitled he shall be granted a reasonable program of training so that he may have the opportunity to perform the work required. If an employee so applying for reemployment shall so request, he shall be granted a leave of absence without pay not to exceed sixty (60) days before he returns to work. The above provisions shall not apply where employees enlist or reenlist during a period other than a national emergency.

2. Any employee entitled to reinstatement under this Section who applies for reemployment and who desires to pursue a course of study in accordance with the Federal law granting him such opportunity before or after returning to his employment with the Company, shall be granted a leave of absence for such purpose. Such leave of absence shall not constitute a break in the record of continuous service of such employee, but shall be included therein provided the employee reports promptly for reemployment after the completion or termination of such course of study. Any such employee must notify the Company and the Union in writing at least once each year of his continued interest to resume active employment with the Company upon completing or terminating such course of study. Any employee entitled to reinstatement under this Section who entered the armed forces of the United States and who returns with service connected disability incurred during the course of his service shall be assigned to any vacancy which shall be suitable to such impaired condition during the continuance of such disability irrespective of seniority; provided, however, that such impairment is of such a nature as to render the veteran's returning to his own job or department onerous or impossible; and provided further that the veteran meets the minimum physical requirements for the job available or for the job as the Company may be able to adjust it to meet the veteran's impairment.

B. Vacations

1. If an employee who would otherwise have been entitled to a vacation with pay, or in lieu thereof to vacation allowance, under the provisions of Section VII - Vacations, during the calendar year in which he shall enter the military service of the United States before he shall have accepted vacation allowance in lieu of vacation, he shall be paid an amount equal to the vacation pay which he would have been entitled to receive for the period of such vacation.

2. An employee, who after being honorably discharged from the Armed Forces, is reinstated pursuant to the Company's Military Service Regulations, shall, in the year of his reinstatement, be entitled to:

a. A regular vacation provided he is not scheduled in the year of his reinstatement for an extended vacation to which he may become entitled under (b) and,

b. an extended vacation provided that he would have become entitled to such an extended vacation had he not been on the military leave of absence.

C. Military Encampment Allowance

An employee with one or more years of continuous service who is required to attend an encampment of the reserve of the Armed Forces or the National Guard shall be paid, for a period not to exceed two weeks in any calendar year, the difference between the amount paid by the Government, not including travel, subsistence and quarters allowance, and the amount calculated by the Company in accordance with the following formula. Such pay shall be based on the number of days such employee would have worked had he not been attending such encampment during such two weeks (plus any holiday in such two weeks he would not have worked) and the pay for each such day shall be eight (8) times his average straight-time hourly rate of earnings (including applicable incentive earnings but excluding shift differentials and Sunday and overtime premiums) during the last

payroll period worked prior to the encampment. If the period of such encampment exceeds two weeks in any calendar year, the period on which such pay shall be based shall be the first two weeks he would have worked during such period.

D. Advisory Committee

A committee consisting of equal representatives of the Company and the Union shall be established in the plant for the purpose of advising on problems relating to reemployment and readjustment of returning service personnel.

SECTION XII - HOLIDAYS

A. 1. The following days shall be considered holidays:

New Year's Day	Thanksgiving Day
Good Friday	Day After Thanksgiving
Easter Monday	First Day Buck Season
Memorial Day	Christmas
July 4th	President's Day
Labor Day	

2. For all hours worked by an employee on any of the holidays specified above, overtime shall be paid at the rate of two and one-half times their regular rate of pay.

3. The holiday shall be the 24-hour period beginning at the turn-changing hour nearest 12:01 a.m. of the holiday. If any of these holidays shall fall on a Sunday, the following Monday (and not such Sunday) shall be observed.

B. 1. Effective as of the date of this Agreement, an eligible employee who does not work on a holiday listed above shall be paid eight (8) times their average straight time hourly rate earnings (including applicable incentive earnings but excluding shift differential and Sunday and overtime premiums) during the payroll period in which the holiday occurs; provided, however, that if an eligible employee is scheduled to work on any such holi-

day but fails to report and perform their scheduled or assigned work, such employee shall become ineligible to be paid for the unworked holiday unless such employee has failed to perform such work because of sickness or because of death in the immediate family or because of similar good cause.

2. As used in this Section, an eligible employee is one who:

a. has completed the probationary period of hours of actual work;

b. performs work in the pay period in which the holiday is observed (or the next preceding pay period), except where such employee has not performed work in the pay period because of sickness, disability or layoff, but has worked or is on vacation in both the pay period preceding and the pay period following the holiday pay period; and

c. works as scheduled or assigned both on the employee's last scheduled work day prior to and the employee's first scheduled work day following the day on which the holiday is observed, unless such employee has failed to work because of sickness or because of death in the immediate family or because of similar good cause.

3. a. An eligible employee who would otherwise be entitled to pay for an unworked holiday and who shall be scheduled pursuant to the provisions of Section VII to take a vacation during a period when a holiday occurs, shall be paid for the unworked holiday in addition to the employee's vacation pay.

b. The provisions of Section XII - B.3. shall apply to (1) an employee whose vacation has been scheduled prior to layoff and who thereafter is laid off and takes vacation as scheduled, or (2) an employee who is not at work at the time the employee's vacation is scheduled, but who thereafter returns to work and then is absent from work during a holiday week because of the employee's scheduled vacation. An employee who is not at work at the time of scheduling the employee's vacation and is not working at the time the

employee's vacation commences is not eligible for holiday pay for a holiday occurring during the employee's vacation within the meaning of Section XII - B. 2. b. or Section XII - B. 3. a.

C. In determining whether an employee has worked on more than five (5) days in any week for the purposes of Section D, a holiday occurring in such week shall be considered as a day worked by the employee whether or not the employee shall have worked on such holiday and regardless of whether it was scheduled as a day of work or a day of rest; provided, however, that if the employee shall have been scheduled to work on such holiday and shall have failed to perform the work to which the employee was assigned on such day, such holiday shall not be considered as a day worked by the employee.

D. If an eligible employee performs work on a holiday, but works less than eight (8) hours, the employee shall be entitled to the benefits of this section to the extent that the number of hours worked by the employee on the holiday is less than eight (8). This section applies in addition to the provisions of paragraph E of Section V, where applicable.

SECTION XIII - SAFETY AND HEALTH

A. Objective and Obligation of the Parties

The Company and the Union will cooperate in the continuing objective to eliminate accidents and health hazards. The Company shall continue to make reasonable provisions for the safety and health of its employees at the plant during the hours of their employment.

At plants where devices which emit ionizing radiation are used, the Company will continue to maintain safety standards with respect to such devices not less rigid than those adopted from time to time by the Atomic Energy Commission and will maintain procedures designed to safeguard employees and will instruct them as to safe working procedures in event of an incident involving such device.

The Company will continue its program of periodic inplant air sampling and testing under the direction of qualified personnel. Where the Union Co-Chairman of the Safety Committee alleges a significant on-the-job health hazard due to inplant air pollution, the Company will also make such additional tests and investigations as are necessary. A report based on such additional tests and investigations shall be reviewed and discussed with the Joint Safety Committee.

B. Protective Devices, Wearing Apparel and Equipment

Protective devices, wearing apparel and other equipment necessary to protect properly the employees from injury shall be provided by the Company in accordance with practices now prevailing in each separate department or as such practices may be improved from time to time by the Company. Goggles; gas masks; face shields; safety glasses; respirators; special purpose gloves; fireproof, water-proof or acid-proof protective clothing, when necessary and required shall be provided by the Company without cost, except that the Company may assess a fair charge to cover loss or willful destruction thereof by the employee. Where any such equipment or clothing is now provided, the present practice concerning charge for loss or willful destruction by the employee shall continue. Proper heating and ventilating systems shall be installed where needed.

C. Joint Safety Committee

1. A safety committee consisting of three employees designated by the Union and three Management members designated by the Company shall be established in the plant. The safety committee shall hold monthly meetings at times determined by the committee, preferably outside of regular working hours. Time consumed on committee work by committee members designated by the Union shall not be considered hours worked to be compensated by the Company. The function of the safety committee shall be to advise with Plant Management concerning safety and health matters but not to handle

grievances. In the discharge of its function, the safety committee shall: consider existing practices and rules relating to safety and health, formulate suggested changes in existing practices and rules and recommend adoption of new practices and rules. Advice of the safety committee, together with supporting suggestions, recommendations and reasons, shall be submitted to the Plant General Superintendent for his consideration and for such action as he may consider consistent with the Company's responsibility to provide for the safety and health of its employees during the hours of their employment and the mutual objectives set forth in Subsection A.

2. When the Company introduces new personal protective apparel or extends the use of protective apparel to new areas or issues new rules relating to the use of new protective apparel, the matter will be discussed with the members of the safety committee in advance with the objective of increasing cooperation. Should differences result from such discussions, a grievance may be filed in the Third Step by the Chairman of the Grievance Committee within thirty (30) calendar days after the Company puts such rule or requirement into effect. In the event that the grievance progresses through the grievance procedure to arbitration, the arbitrator shall determine whether such rule or requirement is appropriate to achieve the objective set forth in Subsection A.

3. In the event the Company requires an employee to testify at the formal investigation into the causes of a disabling injury, the employee may arrange to have the Union Co-Chairman of the safety committee or the Union member of such committee designated by the Union Co-Chairman to act in his absence, present as an observer at the proceedings for the period of time required to take the employee's testimony. The Union Co-Chairman will be furnished with a copy of such record as is made of the employee's testimony. In addition, in the case of accidents which resulted in disabling injury or death to employees under this Agreement and require a fact-finding investigation, the Company will, after making its investigation, at the request of the

Union Co-Chairman of the Safety Committee, supply to him a statement of the nature of the injury, the circumstances of the accident, and any recommendations available at that time. In such cases, when requested by the Union Co-Chairman, the Company Co-Chairman of the Safety Committee, or his designated representative, will review the statement with the Union Co-Chairman. Also, in such cases, the Company Co-Chairman of the Safety Committee, or his designated representative, when requested by the Union Co-Chairman, will visit the scene of the accident with the Union Co-Chairman, or in his absence, his designated substitute.

D. Disputes

415 An employee or group of employees who believe that they are being required to work under conditions which are unsafe or unhealthy beyond the normal hazard inherent in the operation in question shall have the right to file a grievance in Step 3 of the grievance procedure and process it according to the provisions of Section IX - Adjustment of Grievances. 417

E. Limitation on Use of Disciplinary Records

418 Written records of disciplinary action against the employee involved for the violation of a safety rule but not involving a penalty of time off will not be used by the Company in any arbitration proceeding where such action occurred one or more years prior to the date of the event which is the subject of such arbitration.

SECTION XIV - SEVERANCE ALLOWANCE

A. Conditions of Allowance

419 When in the sole judgment of the Company, it decides to close the plant permanently or discontinue permanently a department of the plant or a substantial portion thereof and terminate the employment of individuals, an employee whose employment is terminated either directly or indirectly as a result thereof because he was not entitled to other employment with the Company under

the provisions of Section VIII - Seniority, of this Agreement and paragraph B-2 below, shall be entitled to a severance allowance in accordance with and subject to the following provisions.

B. Eligibility

1. a. Such an employee to be eligible for a severance allowance shall have accumulated three (3) or more years of continuous Company service as computed in accordance with Section VIII - Seniority, of this Agreement. 420

b. In lieu of severance allowance, the Company may offer an eligible employee a job in at least the same job class for which he is qualified in the same general locality. The employee shall have the option of either accepting such new employment or requesting his severance allowance. If an employee accepts such other employment, his continuous service record in the new department shall be deemed to have commenced as of the date of the transfer, except that for the purposes of severance pay under this Section and for the purposes of Section VII -Vacation, his previous continuous service record shall be maintained and not be deemed to have been broken by the transfer. 421

2. As an exception to Paragraph 1 above, an employee otherwise eligible for severance pay who is entitled under Section VIII - Seniority, to a job in at least the same job class shall not be entitled to severance pay whether he accepts or rejects the transfer. If such transfer results directly in the permanent displacement of some other employee, the latter shall be eligible for severance pay provided he otherwise qualifies under the terms of this Section. 422

C. Scale of Allowance

An eligible individual shall receive severance allowance based upon the following weeks for the corresponding continuous Company service: 423

10 years or more	8

D. Calculation of Allowance

A week's severance allowance shall be determined in accordance with the provisions for calculation of vacation pay as set forth in Subsection G of Section VII - Vacations. 424

E. Non-Duplication of Allowance

Severance allowance shall not be duplicated for the same severance whether the other obligation arises by reason of contract, law or otherwise. If an individual is or shall become entitled to any discharge, liquidation, severance or dismissal allowance or payment of similar kind by reason of any law of the United States of America or any of the states, districts or territories thereof subject to its jurisdiction, the total amount of such payments shall be deducted from the severance allowance to which the individual may be entitled under this Section, or any payment made by the Company under this Section may be offset against such payments. Statutory unemployment compensation payments shall be excluded from the non-duplication provisions of this paragraph. 425

F. Election Concerning Layoff Status

Notwithstanding any other provision of this Agreement, an employee who would otherwise have been terminated in accordance with the applicable provisions of this Agreement and under the circumstances specified in Section XIV - A may, at such time elect to be placed upon layoff status for thirty (30) days or to continue on layoff status for an additional thirty (30) days if he had already been on layoff status. At the end of such 30-day period, he may elect to continue on layoff status or to be terminated and receive severance allowance if he is eligible to any such allowance under the provisions 426

of Section XIV; provided, however, if he elects to continue on layoff status after the 30-day period specified above, and is unable to secure employment with the Company within an additional 60-day period, at the conclusion of such additional 60-day period, he may elect to be terminated and receive severance allowance if he is eligible for such allowance. Any Supplemental Unemployment Benefit payment received by him for any period after the beginning of such 30-day period shall be deducted from any such severance allowance to which he would have been otherwise eligible at the beginning of such 30-day period.

G. Payment of Allowance

Payment shall be made in a lump sum at the time of termination. Acceptance of severance allowance shall terminate employment and continuous service for all purposes under this Agreement. 427

Any letter of understanding, memorandum agreement or arbitration award involving any other company shall not be considered as binding between the parties to this Agreement. 433

If the parties shall not agree with respect to such matters by 12:01 a.m. August 1, 1983 or by the end of 60 days after the giving of such notice, whichever is later, either party may thereafter resort to strike or lockout as the case may be in support of its position in respect to such matters as well as any other matter in dispute (the existing agreements or provisions with respect to insurance, pensions, and supplemental unemployment benefits to the contrary notwithstanding).
