

## Immunization priority list for Alberta

- Residents and support staff at eligible congregate living and work settings at risk for large outbreaks, including: correctional facilities, front-line policing and provincial sheriffs, homeless shelters, meatpacking plants, and group homes for disability, mental health and other types of licensed supportive living.
- Health-care workers working in patient care facilities or providing direct patient care in the community, in order to limit spread to high risk individuals, including: physicians, nurses, pharmacists, dentists and all other regulated health care professionals and their office or support staff.
- Anyone working in patient care facilities or providing services directly to clients in the community for Alberta Health Services, Covenant Health, Alberta Precision Labs, DynaLife, and students undertaking placement practicums in clinical areas.
- Healthcare workers on First Nation reserves.
- Caregivers of Albertans who are most at risk of severe outcomes
- Respiratory therapists
- Health-care workers in intensive care units
- Health-care workers in emergency departments
- Health-care workers in COVID-19 units, medical and surgical units, and operating rooms
- Paramedics and emergency medical responders
- Staff in long term care and designated supportive living facilities
- Home care workers
