We have taken the precautionary step to temporarily suspend daily, face-to-face lobby services in our branches. However, our drive up windows will be open regular business hours. Members needing to come to the offices for loan closings, opening new accounts, accessing safe deposit boxes, and Ascentra Retirement & Investment Services can do so by appointment. Please call 563-355-0152 ext. 0 to schedule an appointment. Please rest assured that we are committed to serving you in your time of need.

Helping Your Financial Well-being:

- Emergency Loan - To help with the financial hardships people may be facing, an Emergency Loan is now available that includes no payments for 60 days, interest rate as low as 2.99% APR*, amounts up to \$5,000 and terms up to 36 months (credit underwriting standards apply).
- Skip-A-Payment - Additionally, Ascentra will be waiving the Skip-A-Payment processing fee now through the end of May 2020. Members may access this form online.
- Any concern with your loan payments, please contact an Ascentra Team Member.

Amazon hires 80,000 new workers, will start taking temperatures and provide face masks after public outcry

Published Thu, Apr 2 2020 <https://www.cnn.com/>

Key Points

- Amazon will begin taking the temperature of employees across its entire operations network and Whole Foods stores by early next week. At some facilities, employees are already being subject to temperature checks.
- The company is also making face masks available to employees at all locations by early next week.
- The move comes after warehouse workers, union officials and elected officials called on Amazon to take greater measures to protect them.

Arconic Corporation, Leading Provider of Advanced Aluminum Products, Launches as Standalone Company

April 1, 2020

Separation of Arconic Inc. Into Two Standalone Companies Complete

PITTSBURGH--(BUSINESS WIRE)-- Arconic Corporation (NYSE: ARNC) launches today as a leader in advanced aluminum sheet, plate, extruded and architectural products that primarily advance the ground transportation, aerospace, industrial, packaging, and commercial building markets. The Company's common stock will begin trading on the New York Stock Exchange under the ticker "ARNC" at 9:30 a.m. Eastern Daylight Time on April 1, 2020.

The separation of Arconic Inc. into two standalone companies – Arconic Corporation and Howmet Aerospace Inc. (the new name for Arconic Inc.) – took effect today through a pro rata distribution by Arconic Inc. of 100 percent of the outstanding shares of the newly-formed Arconic Corporation. Arconic Inc. stockholders received one share of Arconic Corporation common stock for every four shares of Arconic Inc. common stock held as of the March 19, 2020 record date. Arconic Inc. shares have become Howmet Aerospace Inc. shares as a result of the name change.

Arconic Corporation will be led by Chief Executive Officer Tim Myers, who was previously the Executive Vice President and Group President of the business segments that now comprise the new standalone company. In 2019, these businesses generated \$7.3 billion in revenue. More about Arconic Corporation and its management team can be found at www.arconic.com.

“Arconic Corporation has been a leader in aluminum products innovation since its predecessor founded the company in 1888,” said Mr. Myers. “Our unique portfolio of assets and dedicated people around the world set Arconic apart from its peers.” He added, “I’d like to thank our employees for their focus and continued commitment to keeping each other safe and supporting our customers during these uncertain times.”

In conjunction with the launch of Arconic Corporation, its independently endowed charitable arm, Arconic Foundation, will continue to support programs that help prepare the 21st century engineering and manufacturing workforce.
