We have had 6 new positive cases since last weeks edition of the Forerunner. The cases were in Labs, Sheet, Ingot, Rolling, IPS and electrical department. This brings our total to 41 positive cases.

The company is active on distributing the new facemasks and gaiters. If you have not received them ask your department coach/supervisor.

Contract Books

Contract Books have arrived. We will be working with the department Committee Persons and CAT Teams, on distributing them to the membership. Each member will be required to sign off that they received the book. I expect the distribution to start happening by mid-week next week.
