Dear Mr. Doubt

As per Article 29.02 we hereby notify you that we will be contracting out the function of auditing our inventory of cable at the various TELUS plant locations in BC and Alberta. The work will be done by Tenold on or about the weekend of May 4 to May 7. The Company is using a third party to undertake this work for purposes of efficiency, allowing our team members to focus on customer demand work.

Sincerely,

A handwritten signature in cursive script that reads 'Tony Kelly'.
