

Activity Report

a brief communication from your union

June 5, 2018

We have received copies of the 2016 CBA. These have been delivered to Titan Tire Freeport Plant today. When the Company finishes copying them, they will be passed out to everyone.

During the month of June, the Union has a mediation date of June 21 and 22 for labor charges that were filed for the members of the school unit. This is being handled by representatives from the International.

Also this month the GNC will be at the hall to finalize the Delta Dental case. Once done, we will ask the Company for arbitration dates. Hopefully, we can get a date for August or September.

We have an arbitration date of July 17 and 18 for outside contracting in the banburys.

On August 8, we have an arbitration date for our Valspar/Sherwin Williams members in Rockford.

For all the new members who have been hired in the last year, I would like to encourage you to become involved with the Union. We have opening for Union positions that need to be filled such as Union steward and more. We will be putting out a list of these positions in the next couple of weeks and if anyone is interested, please contact any GNC, Steward or call the Union office at 815-235-9713.

Stay safe.

*Fraternally,
Todd Hastings, President*
