

COME JOIN OUR LOCAL WE SUPPLY AMERICA EVENT!

American workers across the country are ready to supply the goods and services we'll need to rebuild and revitalize our nation's infrastructure. We're hitting the road to spread the word and make sure this once-in-a-generation set of upgrades is ***Union Made!***

The USW's *We Supply America* bus tour will be traveling through critical states and making a stop in our community.

Join us for a Rally with USW International Officers, District 7 Director Mike Millsap, area union leaders, company representatives, elected officials, and more to highlight how ***WE SUPPLY AMERICA!***

Date: *Monday, August 16th*
