## 2022 Scholarships

Our local union has established its own scholarship program, just for the children of our members. We started it last year, and this year we voted to expand it. Currently we are offering three \$500 scholarships for students who will be attending school at a technical or community college, five \$500 scholarships for students who will be attending a university or four year college on a part time basis, and six \$1000 scholarships for students who will be attending a university on a full time basis. All of these scholarships are just for one year, but students are welcome to apply every year, even if they have won in previous years. A drawing is done from the applications we get. We are very excited to offer this benefit to our members!
