March 3, 2023

KS AFL-CIO Affiliates:

We are offering a **Young Workers CSE Workshop** and we hope you can help make it a success. The Workshop will be run from **10am – 2:00pm on Saturday, April 15, 2023**. Common Sense Economics or CSE will be incorporated into the training, but we also want to use this opportunity to educate young workers to be more active within the Labor Movement and prepare them to hold leadership positions. Some of our young people could play a significant role in the success of the labor movement, but seldom get the opportunity to participate because they don't understand the AFL-CIO structure, affiliations and relationship to other trades and sectors of the workforce. Our power to impose our will within public policy in Local, State and National government can be very effective. But we must be vigilant in our work in the community, school districts and on the economy, moving together in solidarity and acting responsibly.

We are asking for a commitment of your Union to provide us with 3-5 individuals who might aspire to be delegates of a labor council in the future, or that want to serve on committees. Some may even aspire to run for office within your Union or political office someday.

It is important that we "build a bench" of young people ready to take on bigger and more responsibilities in our Union. To quote, we train young workers like the future of the labor movement and our Union pension depends on it". Because you know what? It does!

Andy, John or Tony will follow up with you and talk about registration for the workshop and a Wichita venue. Lunch will be provided for the attendees.

In Solidarity,

Tony Spicer
President

Andy Sanchez
Executive Secretary-Treasurer

John Nave
Vice President

DI NOTE:

Location will be in Wichita, KS from 10 am to 2 pm. Lunch will be provided and there is no fee for those wishing to participate.
