TO ALL MEMBERS OF LOCAL 1976 AT AMERICAN AIRLINES IN TORONTO

Brothers and Sisters,

Last week we sent a communication about the CAWU approaching our members and trying to convince our members to change over to them. In the communication we identified what was built since 1999 and the preservation of keeping all those positive gains. We got the message out and we are glad to hear that some members have already completed forms to revoke their initial decision. This shows that members trust USW to be their bargaining agent. We do want to make sure that when completing the revocation form that all important information is completed such as email contact and phone number in order for it to be considered valid. The form should be sent to djalbert@usw.ca. We were advised yesterday that there was a glitch with the QR code, we are happy to announce that this glitch has been fixed and running properly.

Our leadership team will be in Toronto on Wednesday November 13, 2024 and Thursday November 14, 2024 to have open and honest one on one discussions with anyone who wants to ask questions. We encourage all members to come forward and speak to us, we are always listening to what concerns you may have. Any topic you want to discuss we will be there to answer any questions easy or difficult so come and meet us.

In Solidarity,

Manny D'Souza- VP/FST USW Local 1976
