A FEW THOUGHTS FROM THE UNIT CHAIRMAN

LuAnne Beintema

Spring break...the countdown is on and for most of us March 21st can't come soon enough! Hopefully your break will be a relaxing and enjoyable one.

I would like to take a moment to thank you. As a union you know I harp all the time about communication and if there is an issue, we can't fix it unless we know about it. As this school year has progressed, we have received numerous emails, phone calls, texts, and Facebook messages (Join us, our Facebook group is **USW Classified Staff of FSD 145**) from members with questions or concerns about building or administration issues. Hopefully most of these issues have been solved to your satisfaction. But most of all I appreciate you seeking out the knowledge and answers that our USW contract provides for us. By becoming more knowledgeable about our contract and what is and is

not allowed you make us stronger as a unit and union. Keep up the good work!

Your GNC (myself, Andrea Misek, Denise Hayunga, Cindy Erb, and Ricky Robinson) are about half way through writing proposals in preparation for our contract negotiation which we anticipate beginning in mid April. Next up we will sit down as a team in early March for one more day to try and finish proposal writing at the hall. This process has been a learning experience.

Here's an update on the arbitration case involving food service members being made to hold and maintain a managerial license that was not in their job description which changed the condition of employment for them. This was based on a Mandate that the District said was new, but it was not nor had the requirement for this Mandate changed. The District has recently agreed to sit down and bargain with USW a resolve to this violation. While this is great news, it is also the first step towards a resolution.

However, this is definitely headed in the right direction!

THE MORE YOU KNOW . . .

Article VII, Personnel File and Employee Protection

D. Employee may attach letters of disagreement or rebuttal to any evaluation which is placed in the employee's personnel file.

While it is early for a lot of us, employee evaluations are currently going on in some buildings and I have been getting questions on what to do if a member feels they have received a negative or poor review that is not true or accurate.

Most of our member evaluations are fair, however if this does happen to you, you have the right to write a letter or rebuttal explaining why you feel the evaluation is unfair. Once this is done, staple your letter to the evaluation you were given (always make a copy) and take it to the Board Office and HR secretary, Angie O'Brien. Angie will then make sure the evaluation with your rebuttal is placed in your permanent personnel file where it will remain.

SPOTLIGHT ON:

Catherine Cornelius

This month we are highlighting Catherine Cornelius. Cathy is from Forreton, Illinois, and is a one-on-one paraeducator in our Center School Pre School class. She really enjoys working with "the younger ones." They can be full of energy and surprises. They are always ready to learn something new and to play with others.

Cathy went to Dakota High School and also attended Highland Community College.

Cathy has an older son, Robert, daughter, Nicole, and younger son, Riley, who is a student at Forreton High School. The light of her life is her granddaughter, Lillian.

Thank you, Cathy, for working with the students at Freeport School District and helping them succeed with their learning.
