The Greater Madison County Federation of Labor, AFL-CIO, proudly announces the 30th Annual John A. Broyer / Jack Greer Memorial Scholarship Award. This award may be presented to two recipients at our regular meeting of the Greater Madison County Federation of Labor held in June 2023.

This contest is open to any union member (or eligible family as explained in the attached guidelines) who may be wanting to attend (up to a Bachelor's Degree level of education) an approved Union Trade program, accredited College or University.

Each \$1,500 scholarship is fully described in the guidelines enclosed with this letter, along with the application and certification form. Applicants are asked to write an essay about the topic related to the "Labor Movement" listed below. The approved applicants will be provided instructions for submitting their essay to the Education Committee upon approval of their application. The topic for 2023 will be:

The applicant will need copies of each of the enclosed documents as well as this letter with the essay topic. Please feel free to make as many copies as needed to give to interested and qualifying applicants.

GREATER MADISON COUNTY FEDERATION OF LABOR, AFL-CIO

ANNUAL BROYER / GREER MEMORIAL SCHOLARSHIP

Up to two scholarships with a value of \$1,500.00 each and available for use to begin study (up to a Bachelor's Degree level of education) at any Union Trade Program, accredited college or university in the United States or Canada will be awarded this year by the Greater Madison County Federation of Labor, AFL-CIO.

Any member, spouse, daughter, son, granddaughter or grandson of a member or retiree, or the legal ward of any member, spouse or retiree of any local union that is affiliated [daughter, son or legal ward eligible up to age twenty six (26)] and per capita paid up within the geographical jurisdiction of the Greater Madison County Federation of Labor, AFL-CIO, is eligible to apply. In addition, if the parent or legal guardian shall have died or have become permanently disabled while affiliated with the GMCFL, the applicant, if otherwise eligible, shall be eligible to apply for the scholarship. Stepchildren are eligible only if they are adopted or are legal wards of the qualifying parent. The scholarship is entirely unrestricted as to age, gender, race, religion and political affiliation, however, applicants may only be awarded a scholarship one (1) time.

Those who meet the requirements above must submit the completed application form with the signed certificates of the local union official, to the address given and no later than the deadline stated on the application. The scholarship will be awarded on the basis of the quality of the essay as determined by the independent judges and the GMCFL Education Committee. Financial need is not considered. The essay topic related to the Labor Movement will be selected by the GMCFL Education Committee each year and will be included with the application.

Approved applicants must be present at the stated time and date selected by the GMCFL Education Committee at the Machinists Center, 161 Shamrock St., East Alton, Illinois, to write their essay. They should be prepared to establish their identity to the satisfaction of the Education Committee. They may bring a dictionary and writing equipment. They may not bring articles, books, computers, essays, notes, outlines, reference material or typewriters. All cell phone or other devices must be turned off while in the Machinist Center. All essays must be hand printed or written on paper supplied by the Federation, and must not include any personal references that would disclose the identity of the author. ***The essay is limited to five (5) pages in length.*** Each essay will be assigned an identification code by the Education Committee and will be blind evaluated by at least two (2) independent judges who will score each essay. In the event of a tie, after a conference of the judges, the Education Committee will determine a winner.

The Federation may decline to award this scholarship in any year when the judges determine that no applicant's essay is of sufficient quality to warrant the scholarship being awarded. All submitted essays become the property of the Greater Madison County Federation of Labor and will not be returned to the authors. The Greater Madison County Federation of Labor retains the right to publish all winning essays as may be deemed appropriate by the executive board of the GMCFL.

The scholarship will be paid in three (3) installments of five hundred dollars (\$500.00) each over

a maximum four (4) year period to the recipient. The 1st installment will be paid upon presentation of evidence to the Federation that the recipient is accepted as a student in an institution accredited by a regional association of colleges or by a State Department of Education or Union Trade Program approved by the GMCFL. The 2nd and 3rd installment will be paid upon presentation of evidence to the Federation that the recipient has completed the first and second term of course work at that institution with at least a "C" cumulative grade point average [if the recipient is working full-time (thirty (30) hours per week or more) and attending a qualified program on a part-time basis (i.e. taking night courses, they must be enrolled in at least one (1) course per semester), they will receive the 2nd and 3rd installment upon the submission of evidence that they were working full-time and completed the equivalent of twelve semester hours, per the passing grade requirement above, for each installment made]. This award will be invalid and no payment made to any recipient who fails to register in an approved program prior to December 1 of the year in which the award is made. Furthermore, should any recipient withdraw from a program, class or school, which makes them no longer eligible as stated above, all monies awarded must be reimbursed to the Greater Madison County Federation of Labor within two (2) weeks of being determined ineligible.

Recipients who are awarded other scholarships may also receive the Greater Madison County Federation of Labor Scholarship. However, the institution the recipient is attending may be informed of the nature and amount of the scholarship awarded by the Federation. If a recipient is admitted to an institution such as the U.S. Military Academy, U.S. Naval Academy or the U.S. Air Force Academy, where normal expenses are fully met, scholarship assistance may be withdrawn.

There are no restrictions as to the curriculum a recipient may follow, except that it be one that will normally lead to a recognized and accredited bachelor's degree, associate's degree, or professional or technical certificate in a program of study that is of at least one year in length.

The Education Committee of the Federation will be responsible for the administration of the scholarship, for the selection of the essay supervisor and judges, and for reporting the name of the essay winner(s) selected by the judges to the Executive Board of the Federation. Except for the name of the scholarship winner, all deliberations pertaining to the selection process will be entirely confidential within the Education Committee. All matters pertaining to this scholarship will be decided by the Education Committee, subject to approval by the Executive Board of the Federation and the delegates of the Federation at a regularly scheduled delegate meeting. This decision will be final.

The winner will be notified by mail (to the address submitted on the application) by the Education Committee and will be invited to attend the regular Federation meeting held in June to accept the scholarship award. The winning essay may be reproduced or printed and distributed to the Federation delegates for the benefit of the entire membership or may be published as may be deemed appropriate by the Executive Board of the GMCFL.
