TO ALL MEMBERS OF USW LOCAL 1976, UNIT 613: Garda Ottawa

UPDATE ON NEGOTIATIONS

Our collective agreement expires on March 31, 2022. Notice to bargain has been sent to the employer. Your committee participated in a week-long seminar held by the USW called "Bargaining to Win" in November.

Surveys were distributed to the membership on November 27, and the results are now being collated. Your committee will be meeting in January to prepare proposals for bargaining. At our regular membership meeting on February 7, we will be discussing the proposals. Please attend this meeting to have your voice heard!

In February and March, we will be meeting with the employer in direct negotiations. We will keep in touch with you as things progress.

We thank you for your support. At this critical time, it's important that we all stick together.

In solidarity,

Your bargaining committee:

Kristopher Marzitelli
