

ELECTION CONNECTION

Less than one week of voting remains in the pivotal 2022 midterm elections, which conclude on Tuesday, November 8.

If you haven't already cast your ballot, make your vote plan **TODAY!**

Elections are conducted a bit differently in each state, so you'll need to figure out how you're going to get to the polls or when you're going to drop off your ballot.

If you're voting by mail, then do so as soon as possible!

We've said it in countless ways - voting matters!

Elections have an immediate impact on our workplaces, our rights as workers and union members and on our communities.
