### LISTINGS OF PASSENGER MOTOR VEHICLES THAT ARE LABELED WITH THEIR U.S./CANADIAN PARTS CONTENT

NHTSA has provided these reports as an aid to consumers considering the purchase of a new vehicle. The charts list information that NHTSA received from vehicle manufacturers about the U.S./Canadian content (by value) of the equipment (parts) used to assemble passenger motor vehicles. The American Automobile Labeling Act (AALA) defines a passenger motor vehicle as a motor vehicle designed to carry not more than 12 persons with a gross vehicle weight rating not greater than 8,500 pounds and includes multipurpose passenger vehicles and light duty trucks. It does not include a motorcycle or a truck not designed primarily to carry its operator or passengers, i.e., a delivery truck. A label with the U.S./Canada content percentage and related additional information must be displayed on these vehicles up to the time of first retail sale.

### Scott County Democrats Scholarship

<http://scottcountydems.org/kfscholarship.htm>

The Scott County, Iowa, Democratic Party is excited to announce the availability of the Kirschbaum-Fitzsimmons Scott County Democrats Scholarship. This scholarship honors the lives of two of the county's best known and best loved elected officials.

Kathy Kirschbaum and Karen Fitzsimmons were extraordinary women whose hard work, perseverance, dedication to fairness, and progressive actions inspired others. Kathy served as the first female mayor of Davenport and Karen as the first female auditor of the county.

In that light, the Democrats of Scott County, Iowa, have chosen to honor Kathy and Karen by offering a \$500 scholarship to a graduating senior from a Scott County high school. This student must be accepted for initial enrollment in an accredited post-secondary educational program in the United States for the academic year 2016-2017. Eligible programs include 4-year colleges, community colleges, vocational, technical, trade schools, and union apprenticeships.

For more information contact:
