RU ready 4- Contract 2019??

As we start this new year we must remind each other that we have one year to prepare for our next contract negotiations. What does that mean? We have to have conversations with our coworkers on what issues are important to us and what we would like to see in our next contract.

Recent action by Arconic Inc. reminds me of one of my top priorities and that is to continue to improve on our pensions. All hourly employees have a pension as part of our (CBA) collective bargaining agreement but the pension agreement for those that hired after 2006 is a lesser pension plan than the pre-2006 hires pension. That needs to change.

How do we accomplish the changes we want and need? As all of us as individuals discuss our issues with each other we will start to prioritize the common contract issues that we want addressed. Then we need to continue to build our solidarity. We will plan activities and events throughout the year to help us build our solidarity.

Plan on attending our Local 105 Solidarity Event at the Mallards – Friday February 9th. Tickets are available at the hall.
