From the President:

The Company has decided to end the COVID policy agreement from August 3rd, 2020 between the United Steelworker represented locations. This means if an employee has symptoms or is diagnosed with COVID, the Company will no longer pay the first 7 days of your illness and any absence related to COVID will need to be covered by Short Term Disability or FMLA. The International has tried to reason with the Company to no avail. The policy has ended as of July 1st, 2021.

With Deepest Sympathy:

The Family of:

Lee Cann (Retired Member)
 Zach Crider (Retired Member)
