Plate Mill Department Issues

Update:

I wrote last week that we have requested to bargain over the Plate Mill Department issues concerning the NC Saw group breakrooms/operator stations. The company called the bargaining committee to a meeting yesterday to inform us that they will not bargain over the issues. I believe this is a mandatory subject of bargaining since it effects our working conditions, but the company is taking the position that it is a permissive subject and refuse to bargain over the issue. I have a call in to the NLRB Peoria office to see what their position is on mandatory vs. permissive. After I get a response from the NLRB I will determine what our options are and move forward from there.

Special Election: Davenport City Council – 3rd Ward

On July 11th, we have the opportunity to elect one of our own to Davenport's City Council in a special election.

Carlton Wills has been a union electrician for over thirty years with IBEW 145. He has been an activist and delegate with the Quad City Federation of Labor. He has also been a consistent volunteer for Area Agency on Aging and the Festival of Trees.

Carlton cares about the entire 3rd Ward. Carlton is a life-long west-ender and attends almost as many city council meetings as the city council members themselves. He is ready to lead and will serve as a voice for the working people of Davenport.

But we need you to help him get elected. Please call 563-570-1757 if you want someone to stop by your house to fill out and Absentee Ballot Request. If you prefer to vote in-person, remember to go to the polls on Election Day, Tuesday, July 11th.

If you care about infrastructure, about creating good jobs not another strip mall filled with low wage jobs, if you care about safety and creating a strong community, help us get Carlton elected.

Local 105 and IBEW Golf Tournament

This year's golf tournament will be held Thursday, August 10 at Glynns Creek Golf course near Scott County Park. Players are expected to be there 30 minutes before the 9am shot gun start. Entry forms are available at the gates and at the hall and must be turned in by Wednesday, August 2. Questions, or if you need help getting a team together leave your name and phone number with Joe Dobesh, at 563 320-1741.

School Supply Giveaway

The Civil and Human Rights Committee needs backpacks for a back to school, school supply giveaway. The giveaway is to be held on August 19th and is being put together by the Davenport Civil Rights Commission. The most expensive supply is backpacks, which makes them the most difficult to get. Please support this great cause and drop off new or gently used backpacks at the hall. We will give them to the Davenport Civil Rights Commission and they will distribute them.
