Retirements are always effective on the first of the month i.e. Jan. 1, Feb. 1, Mar. 1, etc.

Vesting service and pension service are measured in years, full months, and full days, with full months calculated as 1/12 of a year and full days calculated as 1/360 of a year.

Pension factors are determined by the highest job grade at which you worked 1,000 hours or more (including vacation hours) in any 12 consecutive months during the 120 months immediately preceding the date on which your pension service stops.
