All meetings @ USW Local 105 Union Hall
Unless designated otherwise

Update

As of the printing of this newsletter the company has **not** requested to have any discussions with the Union about a layoff. Any numbers and dates being spread in the plant are all rumors to our knowledge. We continue to have reduced hours in the plant which we do not agree with and have stressed that to the company. We will communicate any news in regards to any changes as soon as we know.

Constitution Convention

Due to the postponement of the International Convention from August 3-6, 2020 to the year 2022, we will not be holding nominations and elections for International Convention Delegates until we get closer to the rescheduled 2022 convention.

Attention: USW Local 105 Members

Local 105 and its amalgamated locals will proceed with monthly meetings starting with Local 105 on June 16th. Local 105-2 will meet June 17th, and Local 105-1 will meet on June 18th.

We will be practicing social distancing per the CDC guidelines. Members will enter through the rear doors of the union hall and we will be limiting seating to 25 members per meeting. Masks are strongly recommended to help protect your brothers and sisters. There will be no food served at the business meetings.

Worth Repeating:

Health & Wellness reimbursements modified
Effective Friday, May 15, Davenport is modifying the Health and Wellness reimbursement program to cover only gym memberships. The program will continue reimbursing 50 percent of the cost of gym membership for only active employees and their dependents to a max of \$200 annually for a fully paid 1-year basic membership.

Ascentra Credit Union

Moving Forward Together

Our branches have resumed full-service operations with both lobby and drive up options available.

The safety of our staff and members is of the utmost importance to us, and as such we will continue to

follow safety precautions set forth by our public health and CDC experts. We will monitor these guidelines and adjust accordingly as we all try to get back to normal.

We will be monitoring our symptoms and exposure and ask for you to do the same. If you have a fever, exhibit flu-like symptoms or symptoms associated with COVID-19, or if there is a possibility you have been exposed to COVID-19, please stay home and call into our Digital Branch for assistance at 563-355-0152 ext. 0.

As you return back to our branches, we want you to know what you can expect.

- The number of members allowed in the lobbies at one time will be limited. Staff will be here not only to welcome you back, but to help monitor capacity levels.
- Members will be asked to maintain social distancing and stand at least six feet apart from others. Distance markers have been placed on the floors to help with this when in line to see a teller.
- We have installed plexiglass hygiene guards in our branches for both your health and safety as well as ours. You may see our staff wearing facemasks especially when they have to venture outside of the plexiglass hygiene guards and are not able to maintain 6ft of social distancing.
- Although not required, member facemasks are suggested especially for those that may be of high risk. Please understand if we ask you to tip your mask for identification purposes.
- We will continue to follow added safety and sanitization procedures at our branches and ATMs and will have hand sanitizer available throughout our branches.
- For added safety measures, coffee service, popcorn, candy, dog treats, magazines, children's toys, interactive displays and member use computers will be temporarily suspended.
- As much as it pains us we will have to refrain from social greetings such as handshakes, fist bumps, and/or hugs. Please know a smile and a thank you always means we appreciate you as a member and your business.

We encourage our members to continue to use our digital banking services, ATMs or call our Digital Branch for assistance at 563-355-0152 ext. 0.

As we move forward together, please know the health and safety of our staff and members is our number one priority and has guided the safety decisions we have made as we reopen our branches to you, our members.

**Please note our LeClaire branch will remain drive up only with scheduled appointments.*

Hall Closed to Walk-In's

As reported previously the hall is closed to walk-in business but if you need something give us a call and we make arrangements to help you. We will continue to be at the hall to answer phones as much as possible while trying to reduce our hours.
