USW Local 105 Civil and Human Rights Committee Movie Night

On Wednesday, March 29, 2017 we will be showing "Salt of the Earth". This movie is a drama about safe working conditions and equal pay for workers at a New Mexico zinc mine. Movie night will be at the Local 105 Union Hall @ 880 Devils Glen Rd. in Bettendorf IA. The movie will start promptly at 6:30 P.M. Water and popcorn will be provided by the committee.

I would like to remind our recently retired union members of their paid membership into SOAR. Our local has paid your first years dues into Steelworker Organization of Active Retirees and as current members you are always invited to our monthly meetings on the first Thursday of the month @1:30 but you also will receive the SOAR Magazine. This news magazine will keep you informed of issues concerning retirees with important articles to help you understand how the union is there for you not only during your working years but also during your retirement. It helps keep you informed of the political environment and how it affects your bottom line. I urge you to continue your membership by continue paying the \$12 annual dues to keep your subscriptions coming and to join us for our monthly meetings.

In Solidarity

Bonnie Carey - SOAR District 11 Coordinator
