2017 United Way Campaign

The 2017 United Way campaign is currently under way. The theme of this year's campaign is fight United. Together we fight to make our community a better place to live. The United Way makes it easy to give money to your favorite charity or United Way program through payroll deduction. But that's not the only thing our local United Way does. They do the research and follow up to make sure charities in our community are providing the services that our community needs most. Please consider donating to this year's campaign. Forms are due in on 11-17-17.
