United Way

This years United Way campaign will run from 10/14-11/10.

Ambassador's will be doing one on ones to see if employees are wanting to give. If you designated your donation to a charity last year that donation will roll over to that charity. The money donated to your local United Way stays here and improves our community. As a board member of the United Way of the Quad Cities, I see firsthand how our local United Way does the research to make sure the programs funded in our area addresses the issues causing barriers for Quad citizens in the areas of Education, Income, and Health. Please consider giving, even a dollar a week can make a big difference. Everyone giving will receive a gift and will be entered into a drawing for prizes. Last years prizes will be handed out this year.
