## Red Book Bargaining to Resume in April & May

Essentia finally agreed to additional bargaining dates in April and May. So far, we've only met three times because management has cancelled multiple meetings and been slow to respond to requests to schedule dates.

At the same time, the National Labor Relations Board is still considering the charges we filed over Essentia's unfair delays and undue burdens on our Bargaining Committee. We'll keep you updated as soon as the case is resolved!

**We are now scheduled to bargain on:**

**April 16, 27**

**May 12, 19, 26**
