Trials of Members and Local Union Officers

Section 1. Any charges against a member or Officer of the Local Union must be made in writing, signed by the member making the charges, and must be submitted to the Local Union. Upon submission of the charges, the Recording Secretary shall send a copy by certified or registered mail to the accused member at the member's last known address.

The charges shall be sufficiently specific so as to enable the accused to prepare a defense. This means that the charges should indicate both the provision(s) of the Constitution or the Union's other rules allegedly violated and also a brief statement of the facts (names, dates, places) constituting that violation. If there is more than one charging party, they must designate a person to be responsible for receiving and filing documents related to the charges. Where the charges fail to designate such person, then the first charging member named in the charge shall be considered the representative of the others.

Section 2. Charges must be submitted within sixty (60) days of the time the complainant becomes aware of the alleged offense.

Section 3. A separate Trial Committee composed of five (5) members shall be appointed subject to the approval of the Local Union membership for each individual trial, and shall be given the responsibility of conducting such trial provided that in the case of multiple related charges the same Trial Committee may be appointed to try all such charges and may consolidate them into one hearing. Neither the accuser nor the accused shall be eligible for membership on the Trial Committee. If the accused member or the accuser is an Officer of the Local Union, such person shall not participate in the designation of the membership of the Trial Committee. No one shall be eligible to serve as a member of the Trial Committee who is a witness to the facts alleged to constitute a violation or who has a personal interest in the outcome of the trial.

The Local Union action approving the appointment of the Trial Committee shall take place at the first meeting after the Local Union receives the charges unless the charges are received by the Local Union within five (5) days before the meeting in which event the Local Union action shall take place at the meeting following the first meeting after the Local Union receives the charges.

Section 4. Immediately after the Trial Committee has been selected by the Local Union pursuant to Section 3 of this Article, the Recording Secretary of the Local Union shall send by certified mail or registered mail to the accused member at the member's last known address written notice of the time and place when the hearing will be held before the Trial Committee, a copy of such written notification of time and place shall also be sent to the member preferring the charges, and the accused member shall appear before the Trial Committee on said charges. A copy of the charge and notice of hearing shall also be sent to the International Secretary-Treasurer of the International Union by the Recording Secretary.

Section 5. The hearing shall be held no sooner than two (2) weeks and no later than four (4) weeks from the date of the mailing of the notice and the charges to the accused member.

Section 6. Every effort shall be made to schedule the Trial so that it does not conflict with the working schedules of the parties. The hearing shall be conducted by the Trial Committee in an orderly manner and shall assure the full presentation to the Committee of all the facts. The accused shall be entitled to be present at all times during the hearing, investigation, or argument of the case and shall be entitled to question all witnesses appearing in the matter so long as the questioning does not become insulting, unduly argumentative or repetitious. In the event that the accused fails to appear at the hearing at the time and place provided in the notice and presents no reasonable excuse for absence, the hearing shall proceed with the same force and effect as if the accused were present.

Section 7. At any time during the processing of charges alleging a serious violation by a Local Union Official of Section 2 of Article IX, the International President may, upon written request (sent by certified mail, overnight courier or other means providing proof of receipt), and where supported by preliminary investigation conducted on behalf of the International President, summarily remove such Local Union Official from office during all or a portion of the time necessary to process the charge.

Section 8. The Trial Committee shall record minutes of its meetings and proceedings, and these minutes, together with any documents submitted, shall constitute the official record of the Trial Committee.

Section 9. A member placed on trial shall be permitted representation by a representative of the member's own choice, who shall be a member of the International Union; such representative, however, shall be required to abide by the trial procedure as established by the Trial Committee and as provided in these By-Laws. The same procedure shall be available to the person filing the charges.

Section 10. The Trial Committee, upon completion of the hearing upon the evidence and argument, shall go into closed session to determine the verdict and penalty. The Trial Committee shall prepare a report in writing, stating the facts briefly as it found them, and its conclusions and recommendations. A majority vote of the members of the Trial Committee shall be required to find the accused guilty.

Section 11. In case the accused is found guilty, the Trial Committee may recommend that the accused be reprimanded; assessed a fine; assessed a fine with automatic suspension and removal from office or position or expulsion in the event of the failure of the accused to pay the fine within a specified time; suspended or removed from office or position in the Local Union; or suspended or expelled from membership in the International Union; or otherwise appropriately disciplined.

Section 12. The Trial Committee shall submit its written report to the Local Union within two (2) weeks following completion of the hearing. At the same time a copy of the report shall be mailed to the International Secretary-Treasurer of the International Union and to the accuser and the accused by the Trial Committee.

Section 13. The Local Union Officers may convene a special meeting of the membership to consider the report of the Trial Committee. In such event the notice of the membership meeting shall inform the members that the report of the Trial Committee will be presented at such special meeting. Notice of such special meeting must also be given to the accused member(s) and accuser(s).

Section 14. In the event the report of the Trial Committee is to be presented to the next regular meeting of the Local Union, the membership must be advised by special notice that the report of the Trial Committee will be considered at such regular meeting.

Section 15. The meeting at which the report of the Trial Committee shall be considered shall not be held earlier than one week or later than four weeks following the submission of the report of the Trial Committee to the Local Union.

Section 16. At the meeting of the Local Union, the Trial Committee shall present its written report. The report of the Trial Committee shall become effective only upon approval by a majority vote of the members present at the Local Union meeting. The Local Union meeting may approve or reject the report of the Trial Committee, modify the report in any respect, or order a new trial.

Section 17. The accused member shall be afforded full opportunity to present to the Local Union meeting the accused member's position on all matters bearing upon the trial and the report of the Trial Committee.

Section 18. A report of the Local Union's decision shall be forwarded immediately to the International Secretary-Treasurer of the International Union by the Recording Secretary.

Section 19. A copy of the decision of the Local Union shall be forwarded by the Recording Secretary using certified or registered mail to the accused member and to the person who originally filed the charges. The accused or the accuser may appeal from the decision of the Local Union to the International Executive Board and thereafter to the next regular International Convention, provided that such person files notice of appeal with the International Secretary-Treasurer within thirty days after the mailing of the notice of the decision of the Local Union or the International Executive Board from which the appeal is taken. On appeals, the International Executive Board or such body as it designates either itself or through a Commission or other mechanism affords all parties the opportunity to present all arguments and facts whether or not presented in the proceedings at the Local Union level. Decisions on such appeals are based on the evidence presented in the appeal. The International Executive Board shall not, in making its decision, be limited to the arguments or testimony presented at the earlier stages in the proceedings and shall be permitted to cure by its appeal proceedings procedural defects which may have occurred at earlier stages in the proceedings.

Section 20. The decisions of the Local Union and of the International Executive Board shall be given full force and effect unless a stay thereof is obtained from the International Executive Board.
