

LOCAL 9620

Confidential Membership Survey

Our local union is preparing for contract negotiations. Your feedback and participation are critical to make the negotiations a success. Individual surveys will NOT be shared with management, but will allow the bargaining committee to see what is most important to our members.

Thank you for participating!

Question #1

Your contact info will not be shared with any outsiders and the local union will use it only to provide you with important updates and information on our contract negotiations.
